TEN CENTS

By R. A. R.

Reports this week that Donegal high school is moving into a "community" participation building program with plans for an "auxiliary" gymnasium raises to nearly \$120,000 total athletic improvement set for this year at D.H.S.

Ground was broken last week for the building of a running track. Cost, including land, will run near \$100,000. Proposed cost of the auxiliary gym is expected to be about \$20,000.

Work on the "cemetery curve" on Marietta avenue has been completed by PennDOT crews. Trees and hedges have been removed and a steel rail has been installed — all in the name of safety for motorists.

We still suggest that reduced speed is the very best accident preventative at that spot and a lot of others, for that matter.

We've been calling the alley immediately west of Sloan's Pharmacy "Sloan alley" — because we had no better name to describe the thoroughfare and no one seemed to know any difference.

But, one day last week Councilman George Groff called us aside. "It's 'Coal alley,'" he revealed.

He had done some research and explained that years ago there were coal yards at the north end of the alley along the railroad tracks.

And, speaking of names — Stockholders of National Cash Register company, meeting at Baltimore, voted to change the corporation's name officially to NCR, Corp.

Thus, the big, red sign on the front of the local plant means, now, exactly what it says.

Third-period Donegal district honor rolls, published last week, showed 20 percent of B.I. Beahm

Horse Show On Sunday At Marietta

The Marietta Lion's Club will sponsor the annual Marietta Horse Show on Sunday, May 5, in the Marietta War Memorial Park.

Last year the show was postponed because the park was being used to house Tropical Storm Agnes victims. The Lion's Club has restored the fence which forms the horse show ring at the park.

Roy Renecker, professional horse show manager, will serve as general manager of the show, which is a memorial to the late David Shank. Patrick Kenney Jr. is program chairman.

There will be 22 classes.

First Solo Flight

Marine Second Lieutenant Michael J. Sweigart, son of Mr. and Mrs. Edward C. Sweigart of Route 2, made his first solo flight in a Navy aircraft at Pensacola, Fla.

Soloing is a major step towards becoming a Marine Aviator.

Parkwood Homes Plant Temporarily Phases Out

Operations at the Mount Joy plant of Parkwood homes "will be temporarily phased out," it was revealed this week.

Although no other details were available despite

Historical Society Holds Meeting

The Mount Joy Area Historical Society met Monday, April 15, at the Lutheran Church.

In the absence of the president, Vera Gingrich presided.

A lengthy discussion was held about a booth at the Jaycee Memorial Day carnival.

Three new members were taken into the society.

The next meeting will be held May 20, 1974 at 7:30 p.m.

On Lacrosse Team

Jill L. Shupp, a former student at Donegal high school, is a member of the college lacrosse team at Millersville State College. A freshman, she is majoring in psychology. She is the daughter of Mrs. Nancy Shupp, Harvest View Apts. 7-D.

Kraybill Pupil Fourth In County Spelling Match

Richard L. Winey, son of Mr. and Mrs. J. Richard Winey, Middletown R1, is the third best grade school speller in Lancaster county.

An eighth grade pupil at Kraybill Mennonite school, Richard moved to the near end of the 1974 spelling elimination, held Friday, April 26, at Lancaster. His downfall was the word "gradient," one of those words which can fool even a professional. The trick is — does it end with "ant" or "ent?"

Richard's kererbobble — (How do you spell that word, Richard?) — was in the 29th round of the annual championships. The contest continued through 85 rounds and was won by a Lancaster Reynolds junior high boy.

Donegal's representative was chosen in the district eliminations, held at the W.I. Beahm auditorium on Friday, April 5.

Joyce Peterman, Beahm jr. high seventh grader, Donegal's runner-up, dropped out of the county contest in the sixth round, a casualty of the word "verdure."

repeated telephone calls to both the Mount Joy plant and to corporation headquarters in Elkhart, Indiana, the notice of the interrupted operation was given by Don French, local general manager.

The Mount Joy plant of the corporation was opened a little more than a year ago.

Production flourished and it was anticipated that within a few months after the beginning of operations, a mobile home would be pulled off the line at the rate of one per hour.

Three Are Named For Police School

Three Donegal High School students have been named to attend the Pennsylvania State Police School during Youth Week, during the 1974 summer.

They are: John Thomas, son of Mr. and Mrs. John F. Thomas, 233 North Barbara Street; Robert McClenigen, son of Mr. and Mrs. Harry McClenigen, Mount Joy R1, and David Hawthorne, son of Mr. and Mrs. John Hawthorne, Mount Joy R1.

COMMUNITY INVOLVEMENT

Donegal Prepares To Launch Project To Be Called 'D-I-G'

Plans for immediately involving the entire community in the building of a new "auxiliary" gymnasium at Donegal high school were being readied this week.

Under the name of D-I-G, the project, essentially, is to involve the community in the raising of approximately \$20,000 for the construction of a concrete block (brick faced) building on the east side of the present gym.

By involving many portions of the school and the community, it is hoped to have donations of cash, materials and of labor which will permit an early beginning of the project.

D-I-G, a Donegal spokesman said this week, represents "Donegal Indians Gym" but also spells out the need for

the digging for funds and for the physical digging for the foundations of the building itself.

Within the next few days a letter explaining the project will be issued by the school. Dr. William Landis, Dr. Harold Fellenbaum and Donald Drenner, high school principal, are heading the project.

They gym, a one-story building, will be used for such activities as gym classes, wrestling and other athletic team training.

It is hoped that work can begin before the end of May.

Rather recently, Lancaster Mennonite high school and Columbia have raised sizable building funds for extra athletic facilities at their schools.

Two Major Construction Jobs Begin In Community

Two major construction jobs — one private and the other public — began last week in Mount Joy!

One is for the building of a new running track at Donegal high school and the other is the erection of a sizable residential development on Road 230, east, on the old Shearer farm. Dirt is being pushed around on both sites.

At Donegal, the track is to be located north of the present baseball field and along Koser Road.

The housing development, to be known as the "The Meadows," is visioned as 708

dwelling units, but initially, plans call for 152 on 16.12 acres.

Developer is Arthur Bloom of Magnolia, N.J.

First phase construction calls for 80 efficiency apartments, 36 one-bedroom units, and 36 two-bedroom homes.

Promoted

Thomas W. Wohlfeil of Mount Joy, has been promoted to the grade of sergeant in the Air National Guard at Middletown, Pa.

He is an administrative specialist with the 193rd Consolidated Aircraft

More Than Score Local Rotarians At Conference

More than a score of Mount Joy Rotarians and their wives attended session of the District 739 Rotary International conference, held Friday and Saturday at the Penn Harris Motor Lodge in Harrisburg.

Dr. David E. Schlosser, president, took part in the 1973-74 "In Memoriam" service, which honored deceased clubmen and included the late Clarence C. Newcomer and Clarence Greider, both of Mount Joy.

Vice-President A. Newlin accepted in the name of the Mount Joy club a handsome plaque for superior attendance of the local members at regular meetings.

Dr. Robert F. Eshleman, district International Service chairman, made a report Saturday afternoon.

One of the highest honors Rotary can bestow upon a member was given Saturday night as a surprise to Dr. Schlosser's father, Dr. Ralph W. Schlosser, 1947 district governor. He was made a Paul Harris Fellow by his home Elizabethtown club and Rotary International.

On Dean's List

Two Mount Joy students at Penn State University were among the nearly 5,000 undergraduates who qualified for the Dean's List for the Winter Term, which ended March 2.

They are: Scott E. Albert, 130 New Haven Street, and Donald Andre Musser, 353 S. Market Avenue.

MRS. REUBEN FELLENBAUM (left) of 30 S. Market street, was honored at a special choir banquet at the Willow Valley restaurant on Thursday evening, April 25. On behalf of the choir of the Mount Joy Presbyterian church, Si Phillips (right), presented her with an original water color painting of the church. The gift was given in recognition of and appreciation for almost 55 years of dedicated service to the choir and in anticipation of many more years of singing with the group. She also was presented with a yellow carnation corsage.
