

Don't buy Graybill's new Swiss 2 Milk just because it costs less.

Graybill's new Swiss 2 costs 7¢ less a gallon than regular homogenized milk. Don't buy it for just that reason. When you buy milk, your family's nutrition comes before savings. That's why you should try Graybill's new Swiss 2 vitality milk. It's packed with muscle building, high energy protein and other nutrients. Swiss 2 milk gives your active family the energy it needs to stay on the go.

Yet Graybill's Swiss 2 is a delicious milk, full-bodied and refreshing. The one-third lower butterfat content in Swiss 2 helps you stay trim. Swiss 2 gives you plenty of needed nutrition, with less fat than regular milk.

So, don't buy Graybill's new Swiss 2 just because it costs less. Get it because your family deserves it. It's the ideal new family milk.

Get Graybill's Swiss 2 at your door, or local, independent food store. Save 7¢ on the gallon with the handy screw-top; 3¢ on the convenient half gallon.

Graybill's Swiss 2:

the tasty way to stay on the go.

FAMOUS FOR FIRSTS IN MILK CARE AND QUALITY.

St. Mark's Choir To Give Concert At Maytown Church

St. Mark's United Methodist Chancel choir, under the direction of Miss Marilyn J. Strominger of Maytown, will present a concert of sacred music on Sunday evening, May 5, 7:30 p.m. at the Maytown Church of God.

Music will be divided into five parts -- "Songs of Praise," "Christmas," "Lent," "Easter" and "Songs of Consecration."

The following choir members will be taking special part in the concert: Judy Arnold, Roy Arnold, Jr., Jim Endslo, Kim Lauver, Shirley Roth, Ralph Secrest, Richard Kohler, and Michael Kohler.

Organist will be Gerald L. Miller of Rheems who will play "Fantasia and Fugue" by Johann Pachelbel and "Praise Be To Thee, Lord Jesus Christ" by J.S. Bach for the prelude and offertory music.

Rev. Edward Rosenberry, pastor of the Maytown Church of God, will assist in the service. The public is invited.

National Central Bank Plans Merge With Richland

National Central Financial Corporation, Lancaster, and the Richland National Bank, Richland, Pa., in Lebanon County jointly announced approval of an agreement to merge the Richland bank into National Central Bank, a wholly owned subsidiary of National Central Financial Corporation, in exchange for an undisclosed number of shares of National Central Financial Corporation common stock.

Founded in 1906, The Richland National Bank had, as of March 31, 1974, total assets of \$18 million, total deposits of \$15.5 million and \$10.5 million in loans. On the same date, National Central's total assets were \$872 million, deposits totaled \$743 million and total loans were \$566 million.

Assuming approval by Federal regulatory authorities, The Richland National Bank will become National Central's first office in Lebanon County and the 45th in its immediate six-county trade area.

All directors of the Richland bank will remain members of an Advisory Board of Directors for the Richland Office and all officers and staff of the bank will be retained to perform the functions of their present positions.

On March 15, 1974, the Comptroller of Currency, Washington, D.C., approved on application of The Richland National Bank to construct a new office at 25 E. Main St., in Newmans-town.
