Leisure Club Members Hear Program

By Obsolete Musical Instrument

The Mount Joy Leisure Club held its regular monthly meeting on Monday, April 8, in the Florin Fire hall with 95 members present. The meeting was called to order by President Eva Groff with the pledge of allegiance to the flag followed by the secretary's report by Nedra Brant and the treasurer's report by John Heidlauf.

The feature of the meeting was a program of hymns and old favorite songs, played on an unusual musical instrument called a Una-Fon. It consisted of a large board on which was mounted four rows of bell-sounding metal castings. A key board, similar to a piano, controlled a 12-volt battery, which in turn caused the metal to sound and produce the tones.

An obsolete instrument, the Una-Fon displayed is very rare because it has four rows of musical units. About a dozen three-tiered ones may be found in museums.

The equipment is owned by the Getz Brothers and was played by Amos Rutt. Members of the club and their guests joined in singing. Mrs. Bertha Forman and Mrs. Lillian Eby arranged the program.

George Groff reported from the Community Council and Lena Eshleman reported 13 cards sent to shut-ins. For the months of April, May and June, Mrs. Walter Scheffler will be in charge of sending the cards. This is a money-making project for the club.

Forty signed up. President Groff also read a letter from Hershey Park stating that June 17 will be Senior Citizen Day at the park. She needs to know by the next meeting how many will go. If there are enough members going, a bus will be hired.
