MOUNT JOY'S ONLY NEWSPAPER

TEN CENTS

By R. A. R.

Last week the Bulletin published a picture of Mrs. Reuben Fellenbaum receiving an original painting in recognition of her many years of service to the Presbyterian church choir.

What was not mentioned is the fact that Mrs. Fellenbaum's grandson-in-law, Danny Bare, is the artist. He is the husband of Marion Fellenbaum, daughter of the late John Fellenbaum.

Danny is an art teacher in Manheim Township schools and an art student of C.X. Carlson.

This is the week that another of Donegal high school's outstanding science students makes an appearance at a national Science Fair.

Mary Alice Heilman, 1974 Lancaster County Reserve Champion, will compete at Notre Dame university at South Bend, Ind., in the shadow of two famous landmarks — the university's golden dome and the Notre Dame football stadium.

Mary Alice is the daughter of Mr. and Mrs. Carl E. Heilman, West Main street.

'Of This and That'

by the editor's wife

The Master Showman was back in our area!

He wasn't booked as a "magician," but for two nights last week at Hershey, Liberace held an Arena FULL of people "in the palm of his hand!"

For some reason or other, we had never seen Liberace in person before, only on television, so we were not quite prepared for the phenomenon that occurred at Hershey last Friday night.

With great informality, in a personal and intimate way, Liberace royally entertained some 8,000 people with his fabulous piano music, his indescribably beautiful and elaborate costumes, and his wit. Even at the end of two and a half hours his audience seemed to be asking the

question, "Why Can't This Night Go On Forever?"

Like everyone else in the arena, we were completely charmed and dazzled by the

At a recent meeting of the Parent-Teacher group, \$1500 was granted toward the purchase of the new outdoor equipment.

Funds became available from the profits of a recent candy sale by the school.

MOST AMBITIOUS STUDENT PROJECT

Donegal High School Band To Florida For Parades and Concert At Disney World

Donegal high school's most ambitious student project is scheduled for this weekend as the Green and White D.H.S. band goes to Florida and Disney World!

One hundred and twenty-seven people are slated to board three buses at DHS about 5:00 a.m. Thursday morning for Friendship Airport at Baltimore.

There the delegation will transfer to two planes for Florida and arrive a few hours later.

During their four-day stay, there will be Friday and Saturday parades and a concert in Disney World, sightseeing, a trip to Cape Kennedy and other activities, including almost total participation in the attractions at Disney World.

Bandsmen will include 101 boys and girls. Donegal Official chaperones will include Director Glenn Leib, William Earhart and Mrs. Nettie Germer. There will be a total of 25 adults, fathers and

mothers — including two registered nurses — Mrs. Germer and Mrs. Frank Eichler. In addition, Mrs. Leib's father, Mr. Bishop, of Elizabethtown, will make the trip as official photographer. nights in a motel near Disney World.

On the return trip, the party will fly from Florida to Friendship and then board buses for Donegal. Anticipated arrival is sometime after midnight Sunday night.

Final arrangements for the trip were made this week. Anticipated total cost is between \$19,000 and \$20,000, all of which has been provided by the boys and girls of the band with fund-raising projects of many kinds.

Elwood Mateer is president of the Band Parents club, which has been deeply involved with the planning of the trip. He and Mrs. Mateer will accompany the band.

All pupils are required to have parental permission for the trip. Plans call for 66 students and nine chaperones to fly in one plane and 34 students and 18 chaperones in the other.

The band, playing its "Salute to Disney" Spring Concert on Saturday night, May 4, performed for what was believed to be its largest local crowd ever.

The Band Parents recently elected officers for the 1974-'75 season, including: Everett Bender, president; Bruce Brown, vice-president; Mrs. Banks Wagner, secretary, and Mrs. Martin Witman, treasurer.

Outdoor Commencement Planned For Perhaps Largest DHS Class

An outdoor commencement -- Donegal high school's first -- is being planned for Tuesday, June 4.

The school's 19th annual graduation exercises are to be held on the football field, Principal Donald Drenner said this week.

Plans are for the seniors to be seated on a platform on the field and for the parents, guests and others who attend to use the football bleachers.

Exercises will begin at 6 p.m.

Drenner said that because of the uncertainty of the weather, it will be necessary to have stand-by plan and arrangements to hold the commencement in the auditorium, if necessary.

However, if the weather does interfere with the outdoor program, the arrangements inside will not be as elaborate as they otherwise might be, the principal added.

Arrangements are in charge of a committee headed by 1974 Class President Rick Holt and the faculty advisor, Miss Catharine G. Zeller.

Usually, because of the time of year, the D.H.S. auditorium is uncomfortably warm and there has been

talk for many years of holding an outdoor ceremony.

It is expected that the 1974 class will be the largest in the school's history. In 1973 there were 179 graduates, which is the largest to date. The year 1963 was the smallest - 101.

Honor Three Teachers At Grandview School

Three Grandview Elementary school teachers who will be retiring at the end of this school year were honored Friday afternoon, May 3, at an Arbor Day program, held on the school lawn.

In an area north and west of the building, where other similar "retirement trees" already are located, three trees were planted.

Mrs. Zelah Bender, Kindergarten teacher, was honored with a hawthorn tree; Mrs. Kathryn Erb, fifth grade teacher, with a red maple, and Mrs. Rhoda Kaylor, second grade teacher, with an ash tree.

All were planted by the horticulture class of the v-tech school with Raymond W. Little, instructor, in charge.

The fourth grade room taught by Mrs. Zella Reahr presented a play, "The Case of Johnny Spiteful in the court of Trees." Parts were played by Stephen Miller, Leslie Nolt, Mark Mumma, Robert Wilkinson, Ricky Ober, Harold Shutter, Diane Martin, Doug Noll, Charles Martin, Bernie Kibler, Gurn Emenheiser, Peter Bashore,
