On Friday, May 10, in the Donegal high school auditorium, a full-length feature film will be presented for the entertainment of area residents. The first-run film, sponsored by the Donegal Coaches association, will be the second in a series of fund-raising activities designed to upgrade the athletic

program at Donegal. The initial project in the series was a great success and resulted in the D.C.A. making much headway toward its goal of installing portable refrigeration systems in the high school locker areas. Proceeds from this second movie will bring the goal even closer.

The film will begin at 7:30 p.m. Admission will be \$1.25 for adults, \$.75 for students.

Though they are not at liberty to release the title of the film at this time, the D.C.A. guarantees their audience a current, top-flight entertainment at a minimal cost.
