anyone else doing it, so he quickly put his back on.

Is it a sin to be patriotic anymore? Have you forgotten what I stand for and where I've been? Anzio, Guadalcanal, Korea and now Vietnam. Take a look at the Memorial Honor Rolls sometime. The lists of those who never came back in order to keep this Republic free — "One Nation Under God." When you salute me, you actually are saluting them!

Well, it won't be long until I'll be coming down your street again. So, when you see me, stand straight, place your right hand over your heart and, I'll salute you by waving back. I'll know that you remember.

THE Mayor Reports

April was an especially quiet month. There was some discussion about Apple Tree alley being made a one-way street. As before, there has been no decision made in making the alley one-way going either direction. Coal Alley will be made one-way North and Patterson Alley will be one-way South.

There has been some discussion on placing no right or left hand turn signs from Market street to Apple Tree alley. The Public Works Committee will be studying the issue and make a future recommendation.

An item of news — Police Officer Dale Good of Florin Ward, Mount Joy, will be placed on the roster as a full-time policeman for the Borough. Officer Good completed his six-months' probation period, which started November 12, 1973.

I would like to repeat what I said last month about bicycling and curfew. With summer approaching, and the weather getting warmer, more people are taking to the highways with their bicycles. I would like to encourage them to please obey all traffic regulations. Also if you plan on doing any riding at night, you must have a light on the front of your bike and a red reflector on the rear. If you do not have your licenses yet, you may do so at the Mount Joy Borough office from 8 a.m. to 3 p.m. Monday through Friday.

The curfew of Mount Joy is still 10 p.m. till 5 a.m., Sunday through Thursday, and 11 p.m. till 5 a.m. Friday and Saturday. The age limit is under 18 years of age. I ask that you comply with the above items so that we can all have a great community in which to live.

I will be in the borough office May 31, 7 p.m. 'til 8:30 p.m. Then, starting in June, I will only be at the borough building the third Friday of every month, from 7 p.m. 'til 8:30 p.m.

I wish everyone a safe and happy Memorial Day Weekend.
Mayor James A. Gingrich

THERE'S BOUND TO BE AN OCCASIONAL "NO"

Everyone wants a new phone installed as soon as possible. And we do our best. But when we get a request for installation that same day . . . ordinarily we have to say no.

Our operators also have to say no occasionally. For example, it wouldn't make much sense to pay for an unpublished number if anyone could get it just by calling directory assistance. So we have to say no.

And United Telephone employees

don't like saying no. It just doesn't fit in with the way we like to get things done. Ordinarily our attitude is think yes, say yes, act yes. After all, our job is service, first and foremost.

So if you have a question on your bill, or want some information on extension phones, or whatever . . . please call us. And if we do have to say no, we promise you this. You'll know the reason why.

We want you to get the most out of your phone service.
