Rotarians from Adams, Cumberland, Dauphin, Lancaster, Lebanon and York counties are now preparing for the 15th annual William Nitrauer Leaders Camp, to be held at Camp Shikellimy near Harrisburg, June 11-15, inclusive.

The Mount Joy club will be represented by Newton Kendig and Timothy Eshelman of Donegal high school, 1975 seniors, it was announced by Lester Eshelman, local camp chairman.

Each year Rotarians select 100 outstanding junior class members from public, private and parochial high schools to receive five days of intensive instruction. Representatives of business, industry and the professions stage seminars where there are question and answer periods. Lectures by leaders in many areas of community life are presented daily. In this way the boys become acquainted with many vocations as they decide what courses they will take in college. There are more than 1300 camp alumni, many of whom have become civic leaders in their own communities.
