

THE Mayor Reports

This past month we had our first hearing on the bridges in the Mount Joy Borough. The primary hearing was held with P.U.C., PennDOT Lancaster County Commissioners, Penn Central Railroad and the Mount Joy borough. We explained the physical situation of the bridges and the problem of not being able to cross the bridges with our emergency vehicles.

The Lancaster County Commission, however, did state that they would do a study to find a way in which to solve our emergency problem. It was announced that another hearing will be set up at a later date on this matter.

The tennis court lights are now in operation and are there for your use with a small donation of \$1 per hour. We hope the people use them and enjoy what Mount Joy is trying to establish in the community.

Weeds, rubbish and piles of trash around properties are eyesores to the community. I ask you to try and clean up around your own properties during the month of June. Failure to comply with the weed and trash ordinance makes you liable for prosecution or fine.

William Rueter, part-time officer, will be joining the police force on a full-time basis, effective June 10.

To clarify last month's article on the bicycle licenses everyone, adults and children, owning a bike and intending to ride must purchase a license at the Borough hall by June 30, 1974. Borough hall is open from 8 a.m. until 3 p.m. Monday through Friday. June 22nd, Saturday morning, from 10 a.m. until 12, noon, will be set aside as a special time for those not able to get in during the week to obtain their licenses.

I would like to take this opportunity to thank everyone who had a hand in making our Memorial Day celebration a memorable time. The cooperation of the fire police and police department should be commended for a job well handled.

I will be in the borough hall on Friday, June 21, from 7:00 to 8:30 p.m. If you feel that you have a problem concerning the borough, I ask that you come in and that we discuss the matter.

MAYOR JAMES A. GINGRICH

On Dean's List At Millersville

Three Mount Joy residents are among 763 Millersville State College students named to the Dean's List for the Spring semester.

Cynthia L. Myers, 116 S. Barbara St., is among 163 students with perfect 4.0 averages, all "A's".

Other local residents named to the Dean's List include: Leslie D. Engle, R.D. 1, Box 217, and Susan Carol Hurst, Pinkerton Rd.

BRICKER'S DINER

(Continued from Page 1)

"Goodies" referred to materials which salvage companies are interested in having as part of their compensation for undertaking the demolition job.

It developed that a group of people - wives and children, included - had visited the site over the weekend, pitched a big tent and spent the time during and between rains salvaging materials.

The land upon which the diner and the service station are located is owned by Lloyd Lapp, Fruitville Pike. The area was purchased by Lapp and annexed to his adjoining farm property, known as Huber's Nurseries. The third building still belongs to the Pontz family.

A member of the Lapp family said Monday afternoon that permission had been given the York group to remove the salvage.

The PennDOT men on the scene indicated that the new state of the site may complicate removal plans.

People interested in bidding on the removal, they said, were due to visit the site later this week.

It was their opinion that it may be more costly to remove the buildings now than it would have been prior to this past weekend.

P.P. & L. Proposes To Sell Additional Company Shares

Pennsylvania Power & Light company has filed a registration statement with the Securities and Exchange Commission covering a proposed sale of two and one-half million additional shares of the company's common-stock. Sale is scheduled for July 10.

The shares will be sold to an underwriting group headed by the First Boston Corporation and Drexel Burnham & Co., Incorporated, who will offer the shares to the public.

Robert R. Fortune, PP&L financial vice-president, indicated that proceeds from the sale will be used for general corporate purposes including the repayment of short term loans incurred to meet construction expenditures. For 1974, PP&L's construction expenditures are estimated to be \$305 million.

DHS Class Of 1969 To Hold Reunion

Members of the Donegal high school class of 1969 will hold their fifth year reunion on Saturday, June 29, at the Sheraton Conestoga, Route 222, north of Lancaster, beginning at 6:30 p.m.

Class advisors, Mrs. Vera Gingrich, Catharine Zeller and John W. Loose, and D.H.S. Principal Donald Drenner will be guest speakers at the dinner meeting.

RAZING OF ONE OF THREE buildings along Road 283, east of Mount Joy, scheduled for removal this summer as part of an "eyesore" demolition project, had an early and unexpected beginning last weekend. A group of York people - working with permission of the property owner - removed portions of the dilapidated former Bricker's Diner. The building and three others were scheduled to be bid for removal by PennDOT next week. A huge chunk of the east end of the building, formerly the dining room area, has been torn away to permit salvage.
