MOUNT JOY'S ONLY NEWSPAPER

TEN CENTS

By R. A. R.

It's interesting, in light of the furor that the new Donegal running track is causing, to mention that there is an outside possibility that the facility may be named for the late Clarence Schock.

About 40 percent of the money needed to finance the track construction came as a gift from a project which Schock initiated many years ago.

But, what we started to mention is that, despite the fact Schock played an influential part in the community for many years and his gifts to the community and schools were numerous, his name appears in public in only two places.

One is on the front of the Schock Presbyterian home on Main street, which he liked to (Continued on Page 8)

**Borough Council Postpones Meeting**

Because of Labor Day, the monthly public meeting of the Mount Joy Borough Council will be held one week later than usual.

The September session will be held on Monday night, Sept. 16, beginning at 7:30 o'clock.

**BOBBY AND ROSE GIBBS, internationally-known elephant trainers, present one of the big acts with the Lewis Brothers circus, coming to Mount Joy on Friday, Sept. 6, with performances at 6 and 8 p.m., at the Borough Park. The circus is sponsored by the Mount Joy Rotary Club.**

**Circus Popularity**

**Part of Nostalgic Mood**

Just as there is no explaining America's taste in entertainment, there is, apparently, no explaining the mounting popularity of circuses!

Some attribute the reviving interest in the circus to the nostalgic mood of the country as they look for good things of the past to bring meaning to their lives and to their country.

The circus, always, has had universal appeal, from the time of the Romans to the present day. It is one form of entertainment that never has been censored but has been a family entertainment

for Pop, Mom and all the kids and grandchildren.

Cecil B. DeMille, famed Hollywood producer, said that "One need only to observe a circus audience ... Nothing perhaps so much as the circus evokes a fundamental simplicity in human nature. There is no age for a circus spectator. Boys of 7 to 70, young men with open shirts and sleeves rolled up, little boys and girls — all with the same rapt fascination, all caught up in the magic of the circus world of bands, clowns and aerialists."

Lewis Brothers circus is

coming to Mount Joy, Friday, Sept. 6, sponsored by the Mount Joy Rotary club. Performances at the Borough Park will be at 6 and 8 p.m.

**Donegal's '74 Grid Year Opens Saturday Against Columbia**

When school starts, can football be far behind? Not at Donegal!

The 1974-'75 school year began on Wednesday. Football opens Saturday!

And, the opposition is Columbia. The Tide will be at the Indians' field for a 2 p.m. kickoff and the blastoff for what, hopefully will be an improvement upon a not-so-good 1973 season.

This will be Coach Gayne Deshler's third season as head of the Indian crew and while he is not vibrating with expectancy of winning the Lancaster-Lebanon conference, he is optimistic.

A year ago the club won only three games.

But, Deshler will have considerable experience from '73 and a slightly heavier team to work with.

The Tribe has been under intensive training and drills since late August when the PIAA lifted the summer prohibition against practices for all Commonwealth high school grid teams.

One problem facing the

Indians this season will be a lack of depth.

Fewer than 30 boys have been working with Deshler and Assistants Gene (Continued on Page 8)

**High Distinction Given Local Man At PSU Graduation**

One Mount Joy resident, Donald M. Shellenberger, R1, was among the approximately 1,500 graduates Saturday, Aug. 31, at Penn State commencement exercises.

Shellenberger received the B.S. Degree in animal science with high distinction.

Dr. John W. Oswald, president of Penn State, presided at the commencement, which marked the end of the summer term.

**Drive Carefully**

**Schools Have Opened**

A strong plea to motorists to be especially careful during the next few weeks was issued this week by Mayor James A. Gingrich.

Schools in the area opened this week and there will be boys and girls on foot and on bicycles.

The mayor says, "The Life you save may be your own child's." And adds, "Observe school bus stops, school zones and all speed limits in the borough, especially those in school areas."

**New Tennis Club Crowns Two Pair Of Champions**

The new Mount Joy Tennis Club sponsored its first doubles tournament last weekend with eight women and 24 men taking part in matches at the Borough park courts.

Finals were played Labor Day after getting under way last week and playing around the rain storms.

Champions are:

Women — Bonnie Rittravato and Corinda Zink, who defeated Linda Hershey and Mary Ann Coover in a two-hour duel, 6-4, 6-4.

Men — Bill Houseal and Dave Schlosser, who defeated a veteran team of Dr. Harold Fellenbaum and Frank Zink, 6-3, 7-6.

The women champs defeated Pam Hershey and Barbara Reuter in the semi-finals, 6-3, 6-3, and Barb and Cheryl Hallgren, 6-1, 6-0, in the quarter-finals.

The men's semi-final matches were rained out Sunday afternoon, but were finished Monday morning with Houseal and Schlosser topping Dick Hallgren and Gerald Hostetter, 6-2, 6-4. Fellenbaum and Zink skimmed by John Hendrix and Jeff Peters, 5-7, 7-6, 6-4.
