THE Mayor Reports

It is that time of year when the leaves begin to fall. I would like to remind you that we have an ordinance that prohibits open burning. The borough again will follow its yearly practice of picking up all leaves that are placed at the curb. If individual property owners wish to bag the leaves they are welcomed to do so.

There are times when citizens have problems they wish to discuss with borough council. I would like to refresh your memory about borough council meeting. Meetings are held the second Monday of each month at 7:30 p.m.

We offer, at the beginning of each month's meeting, an opportunity for the public to bring forth any complaints for discussion.
