### Mount Joy weighed tax plans

According to Borough officials, Mount Joy Borough Council considered every possible alternative, before deciding to take a larger share of the earned income tax. Their decision to take the full share of the earned income tax was based on their conclusion that this method would impose the least burden on the taxpayers of Mount Joy.

In considering alternative plans, Council thoroughly analyzed possible taxes and estimated expenditures for both 1975 and 1976. (It is estimated that 1976 expenses will increase ten percent over 1975).

At its January meeting this Monday, Council approved 8 a.m. to 5 p.m. office hours for the Borough Office, Monday through Friday.

Jim Madara and Ken Garner were appointed to the zoning hearing board.

It was decided to place a street light in Westview Development.

A hearing on the new zoning ordinance will be held in late February.

In order to save the many pin oak trees lining the streets of Mount Joy, Council voted to send a letter to interested citizens providing information on how to care for pin oaks in their neighborhoods.

The information was obtained from the state after analysis showed that the limestone soil of Mount Joy is not sufficiently acid for the most healthy growth of pin oaks. The Borough will supply chemicals to improve soil conditions at cost to interested citizens.

### J-Cs canvass for MYO

by Pauline C. Henry  
Publicity Chairman, M.Y.O.

The Maytown Youth Organization held a special meeting Monday night, January 6, to vote on disbanding the organization and dispersment of monies. The meeting was attended by 12 members plus 5 members of the East Donegal Jaycees.

At the request of the Jaycees, a motion was made to defer voting on disbanding until Monday, February 3. The Jaycees made this request to give them

time and opportunity to canvass the township and Maytown, door to door, in an effort to find people willing to run for office, chair and work on committees and keep the organization active.

Anyone interested in keeping the M.Y.O. active can let the East Donegal Jaycees know when they conduct their canvass or by calling Jim Libhart at 426-3452.

A final meeting is scheduled for February 3 at the former Legion Hall, Maytown, 7:30 p.m.

Joe Shaeffer showing book, "What Men Know About Women"

### Joe Shaeffer pursues careers

Joseph Shaeffer has just been elected president of the Leisure Club of Mount Joy. He took the gavel from outgoing president, Eva

Groff, at the last meeting of the Club, 1 p.m., Monday January 13, at the Florin Fire Hall.

Joe's new office adds to his other positions as: Treasurer of the Rotary Club, Editor of the "Rotary Joy," Secretary of the Chamber of Commerce, President of the Social Welfare Association, teacher of the Adult Sunday School Class at Chiques Methodist Church, member of Golden Age Club at the Church, and member of the Bicentennial Committee of Mount Joy.

Although Joe is officially retired as postmaster of Mt. Joy (he was the first postmaster appointed in Pennsylvania under the merit system), he's one of the busiest men in town.

In addition to his many civic activities, Joe pursues a number of hobbies avidly.

He collects commemorative stamps.

He gives lectures to clubs and groups on a number of subjects. One subject is a historical tour of Mount Joy in which he starts at one end of town and goes thru to the other end, noting businesses and institutions which were once at various sites along the way, but which have disappeared from view. Other subjects, illu-

strated by color slides which he took on trips with Mrs. (Grace) Shaeffer, are "Alaska" and "Western Europe" (England, France, Germany, Switzerland, and Liechtenstein).

The Shaeffers also make frequent trips to visit their daughter, Mrs. Donald Eby, and her family in Red Hill near Pottstown.

Perhaps the hobby of most local interest is an extensive collection of articles all made in the past in Mount Joy: bottles (many from Bube's Brewery), grinders, peelers, jacks, post cards, wedding invitations, photographs, yardsticks, match boxes - anything from old Mount Joy.

One item that caught the eye of the reporter from the Times and Bulletin was a book by "Wiseman", entitled, "What Men Know About Women." The reporter opened it to find a book composed of completely blank pages. The book was presented to Joe by Henry G. Carpenter of Mount Joy, who was then in the insurance business.

Joe Shaeffer, born in, raised in, working in, steeped in the history of, devoted to Mount Joy, Pa. - has been called by some citizens, "Mr. Mount Joy."

### Co-ed street hockey in elementary schools

There is a new and popular sport in the Donegal schools - street hockey - played between 4th, 5th, and 6th graders at Riverview, Seiler, and Grandview elementary schools.

Not only is the sport unusual but so are the players of this rather rough game - both girls and boys. Yes, girls liberation has come to Donegal elementary sports.

Supervising the whole project with games scheduled between the three schools running into March, is Whitney Hayman.

Coaches at the three schools are: Ed Miller at Seiler, Toma Konas at Grandview, and Jay Kaylor at Riverview.

Hayman and Miller have had experience playing ice hockey, to which street hockey is similar.

The lively games are played in the Riverview gym near Marietta, and spectators are welcome.

The schedule follows.
