

# George and Yvonne; students of month at Riverview

Yvonne Shank

George Arnold

Yvonne Shank and George Arnold have been named students of the month at Riverview Ele. School.

Yvonne is the daughter of Mr. and Mrs. Glen Shank, W. Front Street, Marietta. School sources state: "Her presence is felt in our room and school by her very quietness and dedication. Her work is always completed, and her loyalty to room and school is unswerving. I have never known her to say or do any unkind thing but have seen her help others many times. Coming from a large family she knows the true meaning of the word share. She is a fine example of a thoughtful and conscientious girl. She is currently a clarinet student. Glen Shank, Sr., is her grandfather.

The school statement about George was: "George is cheerful and agreeable with a fine sense of humor. He is a good worker with a lively interest in school activities. He is ever ready to help his peers, especially with math. His work is exceptionally neat. He regularly attends church and Sunday School - in fact has a perfect attendance record. He is a member of the wrestling, football and baseball teams, and does home chores such as mowing the grass and shoveling snow for a neighbor.

George is the grandson of Mr. and Mrs. Paul McKain and Mrs. Mary Arnold, and the great-grandson of Aaron Sharp, all of Marietta.

## Letters

Dear Editor:

I am completely in accord with the party who wrote a letter to the Editor several weeks ago about the Donegal School Board.

I am a Marietta resident and tax payer for many years.

As that letter stated, the Board raised School Taxes last year before the State Subsidy came through. When it came through, did Donegal do as many of the other Lancaster County School Districts did? Reduce the School taxes? Even though some of the tax bills had already been sent out, they rescinded those

bills, and sent out new ones, showing a reduction of taxes. Not so Donegal.

They keep every cent they get, and look for more.

Now because the Boroughs are getting another 1/4% of the Wage Tax, which they are entitled to, the Donegal School Board is going to raise taxes again.

If they would "tighten their belts," and cut out a lot of "unnecessary frills," and use that invested subsidy money they got last year, they would have plenty of money to run the schools, and no need to prey on the taxpayers again.

## New Musk Oil Cologne Spray Mist by Jovan. The Understatement of the Year.

Jovan has just created another way to wear musk oil. Musk Oil Cologne Spray Mist.

As you might expect, it comes on soft and subtle. But don't be fooled.

It's powerful, provocative and lingering just like Jovan Musk Oil Perfume.

The cologne says the very same things about you the perfume does. That you're sensuous. Womanly. And warm.

But says it a little more lightly. (Which could be the most powerful way of all.)

Try this new fragrance understatement by Jovan. Musk Oil Cologne Spray Mist.

Because it isn't what you say. It's how you say it.
