## Mt. Joy Fire Co. gets ambulance

At the monthly meeting of Friendship Fire Co. No. 1, held Thursday, Feb. 6th, the company voted to approve the purchase of a new ambulance as proposed by the company's Ambulance Committee.

The new ambulance will be manufactured by the Horton Co. of Columbus, Ohio. The vehicle will be of modular construction mounted on a new Chevrolet C-30 chassis, designed for emergency use. The modular construction enables more efficient use of passenger space and equipment storage.

Delivery is scheduled for mid May, 1975.

Total cost of the vehicle is approximately \$24,300. The Ambulance Committee of Friendship No. 1 will

have \$15,000 down payment. Any donations toward the 8,500 due on the new vehicle would be welcomed. Contributions can be mailed to Friendship

Fire Co. No. 1, New Ambulance Fund, 9 N. Market Street, Mount Joy.

The Ambulance Committee, like the fire company is a VOLUNTEER ORGANIZATION.

In addition, the company will institute a new audible public siren. Due to automatic Plectron Home Dispatching, the present siren system with manual code is ineffective.

The new system will be an up/down (pulsating) siren - 2½ minute total at 8 second intervals. The siren will continue even after response of equipment for 2½ to 3 minutes.
