## Grade schools give joint concert

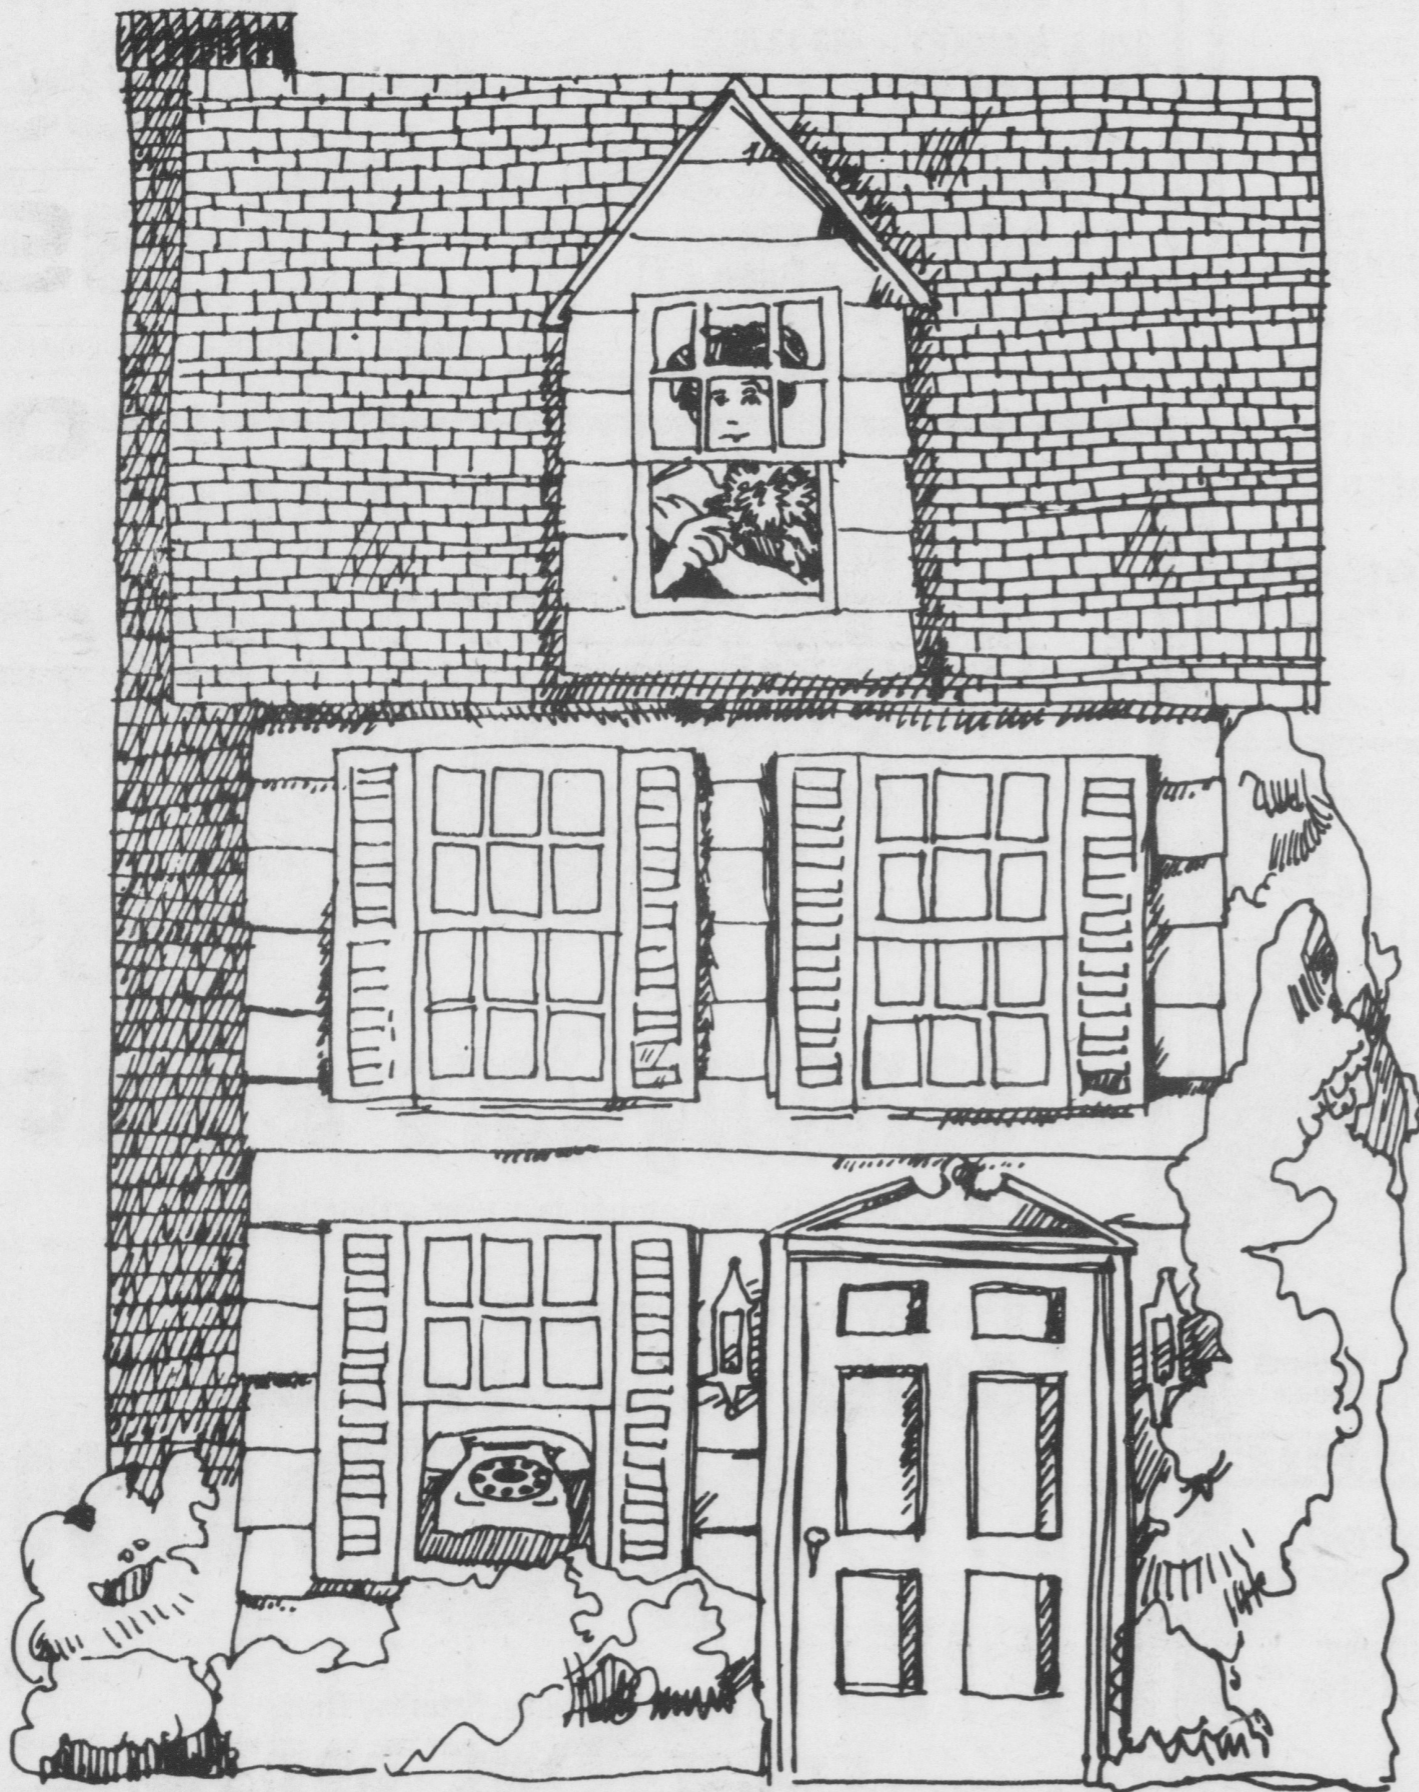

"Music in Our Schools" Day is marked for March 13th throughout the nation. This is the first national observance of this day and will be sponsored by the Music Educators National Conference.

In the Donegal district the observance will feature a short band concert in each of the elementary buildings, presented by the combined Seiler, Grandview, Maytown and Riverview Bands. These two bands will be playing together publicly for the first time.

In preparation for the study of a musical instrument, every student is given a year of instruction on flutophones. Then when the student enters 4th grade he is given the opportunity to choose a musical instrument. At the present time there are 186 pupils in grades 4 thru 6 playing musical in-

struments. There are 47 flutes, 45 clarinets, 33 cornets, and trumpets, 2 alto horns, 15 trombones, 7 alto saxes, 4 French horns, 22 drums, 3 baritone horns, 3 sousaphones, 2 bass clarinets, 1 alto clarinet and 1 tenor sax. Sixty two of these students are in the 4th grade, 56 of them are in 5th grade and 68 are in sixth grade.

There are two bands which rehearse once a week on school time and in the spring a third band is organized which is selected from the best players of the other two groups. This band is called the All Elementary Band and it rehearses once a week after school. In addition to the concert in each of the schools a film will be shown to acquaint students with music entitled "Music In Our Schools."
