CHRISTIAN WOMEN HEAR PSYCHOLOGIST

The March meeting of the Elizabethtown Christian Women's Club was held Wednesday at Hostetter's in Mount Joy. Dr. Timothy Foster, staff psychologist at Philhaven Hospital, a young father of two small daughters, used his father-daughter relationship to emphasize the importance of such a relationship with our Heavenly Father. His analogies were simple, often humorous, always to the point.

Albert Newlin of Newlin Interiors spoke on Tips on Creating a Color Scheme, and illustrated one color grouping based on an oil painting which would be hung in the room.

Mrs. Paul Mumma, Mount Joy, was soloist. Decorations followed the Easter theme.

The next meeting is scheduled for April 2, at which time Mr. Richard Wöike, Sr., Vice-President of National Liberty Corp. of St. Davids, Pa., will speak. Richard and Mary Ellen Kohler, duo-pianist team from Mount Joy will furnish the music.

Those ladies of the Club who are accomplished seamstresses will model spring suits and dresses they have made.

Reservations for the April meeting must be sent, along with check (\$3.25) and return self-addressed and stamped envelope, to Mrs. Marilyn Mumma, R. D. 2, Mount Joy, 17552, (653-4886) before March 29th. Three hundred twelve women attended last week's meeting, but some were turned away. Early registration will prevent disappointment.

The Club's monthly Prayer "Coffee" will be held March 19th at 9:30 a.m. at the home of Mrs. David (Joanne) Sweigart, R. D. 3, Elizabethtown.

SHAMROCKS AGAINST DYSTROPHY

Long a symbol of the spirit of St. Patrick, the shamrock will be a flower with real power this year to help those stricken with muscular dystrophy and related disorders. "Shamrocks Against Dystrophy" tags will be given out as symbols of the helping hand you extend to kids with dystrophy when you give a little "green" to the fight against these tragic diseases.

The youth groups of the First Presbyterian Church of Mount Joy will be collecting for muscular dystrophy in front of Greer's Jewelry Store on Friday, March 14, from 7:00 until 9:00. The money collected during the "Shamrocks Against Dystrophy" drive will help support the vital research and patient service programs of Muscular Dystrophy Associations of America.

Memorial Day parade

The Mount Joy Memorial Day Parade, scheduled for 2 p.m. on Saturday, May 24 this year, will be bigger and better than ever.

Phyllis Leatherman, new president of the Mount Joy Community Council, has issued a call for floats to be entered in this year's parade. The parade is jointly sponsored by the Council and by the Mount Joy American Legion.

All local non-commercial organizations and individuals are invited to enter a float in the parade, which will stress patriotism in connection with the Bicentennial.

Three prizes will be awarded for the best floats: \$100 first prize, \$75 second prize, and \$50 third prize. In addition, for each float which is entered the sponsor will receive \$25 at the time the parade is formed. May 1 is the deadline for entering a float in the parade.

The parade should be more interesting than before and involve more local participation than previously, according to Phyllis.
