

Clean-up in Mt. Joy

Beginning on Monday, March 31, 1975 and running to April 25, 1975 the Borough of Mount Joy will hold a spring clean-up for all residents. Any articles of refuse including large appliances, etc. will be picked up by the Borough crew FREE of charge. In order for the clean-up to run smoothly the following rules must be adhered to:

Small Items:

All items weighing less than 50 lbs. and smaller than a 20 gallon trash container, that are not heavy gauge metal, will be picked up during the regular garbage route on normal pick up days. Each household will have 4 different opportunities during the month to place out items for pick up. All brush and paper must be bundled.

Large Items:

All large items will be picked up by the Borough truck and crew. You must call the Borough Office (653-2300) and leave your name and address in order for these items to be picked up. (including innerspring mattress, large appliances, large piles of lumber and brush).

Due to the increase in the cost of landfill charges we must ask that all residents use good judgement in the amount of refuse that is placed to be picked up.

Please note that the Borough will have all Borough Streets swept by the street sweeper the week beginning April 21. It will be much easier and faster to sweep the streets if all vehicles are removed from the street

Sonnie and Grace were married 50 years ago in New York City in the Little Church Around the Corner by Reverend Randolph Ray.
