Coming to town:
Baseball
and our budget
payment
service

Baseball needs no explanation. Not if you have a son. But our Budget Payment service deserves a few words. Incidentally, we're the HOLLINGER OIL SERVICE.

We're talking about how you can pay for heating comfort without breaking the budget during the cold months of winter. With our Budget Payment Plan, you can spread the cost of heating oil over a ten-month period and without a carrying charge.

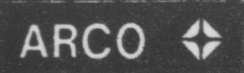

We offer our customers this and three more benefits: reliability, personalized service and economy.

Now is the time, too, to think about a new heating system if your old one is no longer satisfactory. Call us for free consultation and free estimates.

Call us if you have any questions about oil heat. We'll even answer questions about baseball.
