

Phil Shenk helps LMHS

Phil Shenk, son of Mr. and Mrs. Norman Shenk of R. D. 2, Mount Joy, is helping to organize the '75 Fund Drive of Lancaster Mennonite High School. Phil, who is at LMHS, is also responsible for telling people about the Fund Drive thru newspaper, radio, and TV.

A large Country Auction will be held on April 5, from 10 a.m. to 8 p.m. on the campus of LMH. Over 60 hand-made quilts, furniture, appliances, crafts, livestock, and other household articles have been donated to complete the sale bill. Held under a big tent, this auction will have all the flavor of a farm sale with many more and varied items. The tent will be located at 2176 Lincoln Hwy. East.

An Ox Roast is planned for April 5. This family style meal will offer great food prepared by the students. Roast Beef, corn, peas, potatoes, home-made rolls and cakes make up the menu. Tickets for the ox roast are available through LMH students or by reserving them at 394-4075. Take-out dinners are also available. Held on Saturday, April 5, from 11 a.m. to

8 p.m. on the LMH campus at 2176 Lincoln Hwy. East, it promises to be an ideal example of good old-fashioned Dutch cooking.

For a number of years, the students at Lancaster Mennonite High School have been organizing a work drive where they would offer their week-end labor in return for a donation to their Fund Drive. This year, they are once again offering their services to the community in an effort to raise money for the gym project. If you have a job for one or more students on the weekend of April 4 and 5, call 394-4075 to 'reserve' a student.

Fund Drive '75 has been organized by students at Lancaster Mennonite High School, for the purpose of raising some money to help pay off a large debt on the new gymnasium-auditorium that has been recently completed. There are over 550 students at LMH planning to raise over \$50,000 in one weekend. Come on out and support them in their project and get something in return!
