

## Lakers edge Knicks 27-26

With just seven seconds left in the game, Dwayne Truett dribbled the length of the court, drove in for a lay-up and scored the final basket, giving the Lakers a thrilling 27-26 championship victory over the Knicks! It was an exhilarating climax to a long grade school basketball season.

The Donegal Elementary Basketball Program started the first Saturday in December, and the boys spent eight weeks trying to master the fundamentals. Following the sessions on fundamentals, the boys were divided into six teams, each team playing a ten-game schedule. The play-offs were then held on March 22, with these final results:

### TRACK

For some, the spring sports season is about to begin, but for the track teams, the season started four weeks ago with the first practice.

The usually wet spring weather has been very favorable. The spongy, resilient quality and the superb banking of the curves make the track a real joy on which to run.

On any school day or even on the weekends, you may find as many as 150 students running, jumping, or throwing the shotput, discus, and javelin on or around the magnificent green track.

It may be noted by fans that track and field is a spectator sport which holds all the thrills of a baseball or football game. Because of the new facilities, there will be home meets and fans are invited and encouraged to attend them (1st home meet for boys' track - April 3rd with Norlebcoco and for the girls - April 9th with Lancaster Catholic).

### WINTER SPORTS BANQUET

Last week the winter sports banquet was held for high school athletes. This was the second such banquet held this year (there was one for fall athletes).

Winter athletes were excused from classes to attend the banquet and to watch a movie provided by the Donegal Coaches Association.

For the banquet, half of the cafeteria was reserved and decorated, complete with flowers as centerpieces. The students were given as much as they could eat of the specially prepared menu consisting of fruit cocktail,

rolls and butter, carrot and celery sticks, chicken, corn, mashed potatoes, and milk. By far the item in greatest demand was the free ice cream for dessert.

The basketball players, the wrestlers, the cheerleaders, Indianettes, and statisticians received their varsity and junior varsity letters and certificates immediately following the luncheon.

The athletes proceeded to the auditorium and watched the movie, "Ski Party," starring Frankie Avalon.

This banquet followed by a movie has proven to be a more adequate method by which to honor athletes than to have roller skating and swimming parties. It also brings the honor they so richly deserve to the dedicated athletes of Donegal. This honor brings to an end the best sports season ever experienced by Donegal.

### BASKETBALL CAMP

Donegal High School will sponsor a basketball camp this summer from June 16 - June 20. This camp, organized by Mr. Emil Swift, will include John Clark, Spencer Henry, Grant "Tick" Hurst (a PIAA official), Lou Sorrentino (Head Coach Lebanon Valley College).

Also Don Smith (Head Coach E-town College), Ed McIlmoyle (Head Coach Cocalico H.S.), Pat Duffy (Head Coach Lancaster Catholic H.S.), Mr. Emil Swift (Head Coach Donegal and camp director), and a special mysterious All American basketball player.

Basketball players from all over the state are being invited to benefit from this greatest of camps and clinics.
