**DHS dominates science fair**

Donegal School District took the lion's share of prizes and awards - again - at this year's Lancaster County Science and Engineering Fair.

Thirty-nine awards went to Donegal as compared with 11 for Warwick, runner-up.

Dean Buchenauer was top winner from Donegal, taking third place in the overall awards with his demonstration, "Quantifying Partition Chromatography." Buchenauer also won a U. S. Air Force award in bio-chemistry and a second prize from the Pennsylvania Society of Professional Engineers.

Mary Alice Heilman, last year's reserve champion, won first prize in chemistry with "The Catalytic Conversion of Sulfur Dioxide to Sulfate Ion by Carbon Particulates." She also won a U. S. Air Force award, an Army award, and a first prize from the American Chemical Society.

Dave Engle won sixth prize in general science and a NASA award for "Factors Affecting Parachute Efficiency."

Selisa Stauffer won the third prize in chemistry for "The Efficiency of a Ten-Speed Bicycle."

Kevin Milligan was given honorable mention in the overall awards, a first prize from the U. S. Navy and a

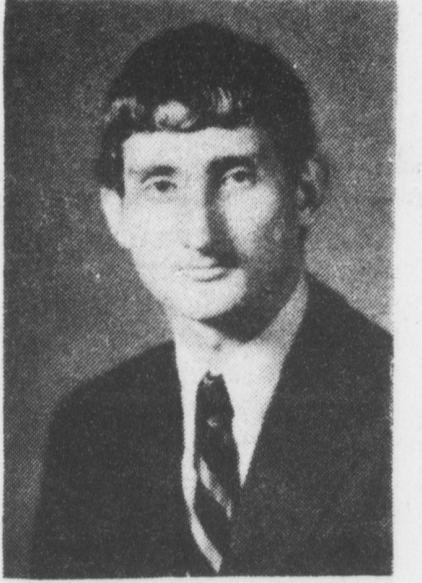

Mary Heilman

U. S. Air Force award in physics for "Investigation of an Artificial Brine Reservoir."

Karen Greider won honorable mention in chemistry for "Biodegradable Plastics: A Question for the Future."

Ramona A. Sell received an honorable mention in chemistry for "A Spectrophotometric Determination of Fluoride in Toothpaste," also awards from the Dental Society, Civil Defense for chemistry, and a second prize from the American Chemical Society.

Dean Buchenauer

Ann Houseal received honorable mention in chemistry for "The Dissolution of Tin in Solutions of Iodine in Benzene."

Douglas Anspach won honorable mention in biology for "Behavior of Hamsters and Other Animals," also a U. S. Army award in behavior and social studies.

Tracee Gotwalt received honorable mention in general science for "Hurricanes."

Steven L. Shope won a pharmaceutical award and a U. S. Army award in chemistry for "Quantification of Ascorbic Acid by Radial Diffusion."

James Gerberich won an award from the Naval Institute/Marine Technology, second prize from the U. S. Navy, an award in math and computers from the U. S. Air Force, a U. S. Army award in physics, and a Speech and Hearing Association award for "Super Snooper, a Designed and Tested Long-Range Microphone."

Marcia Aungst won an award from the American Society for Microbiology for "The Effect of Salinity on the Growth of a Fungus."

Newton Kendig won a U. S. Air Force award in earth and space for "Factors Affecting the Separation of Oil from Shale."

Barbara Landis won a U. S. Air Force award in medicine and health for "Effects of Vitamin C on Hyperlipidemia."

Connie Zinn won a U. S. Army award in botany for "Effects of Supersonic Sound on the Growth of Plants."

Joan de Vitry won a U. S. Army award in medicine and health for "Lead Hazard in the Rifle Range."

Marlene Hess won a Speech and Hearing Association award for "Effects of Noise Pollution on Hearing Comprehension."

Mark Presnell won an award from the Institute of Industrial Engineering for "How Strong Is Your Disposable Garbage Bag?"

**CWC WOMEN HEAR INSURANCE EXECUTIVE**

by Hazel Crankshaw

Spring came to Hostetter's Dining Hall when the Elizabethtown Christian Women's Club met on April 2. Tables were decorated with Easter lilies, and each place had a crocheted spring bonnet favor. The gifted seamstresses of the group modeled spring suits and dresses while the less talented watched and wished.

Rev. and Mrs. Richard Kohler of Mount Joy entertained with piano duets; Rev. Kohler sang a German folk tune and, in duet with Miss Marilyn Strominger, a lovely sacred number.

Richard Woike, life insurance executive from St. Davids, spoke on insurance - the Christian's insurance (assurance) in Christ. Mr. Woike is now reading his Bible for the 34th time, and with each reading he is surprised at the fresh, new insights he receives. His through-the-Bible program takes a year. He likes to begin each new reading on his birthday.

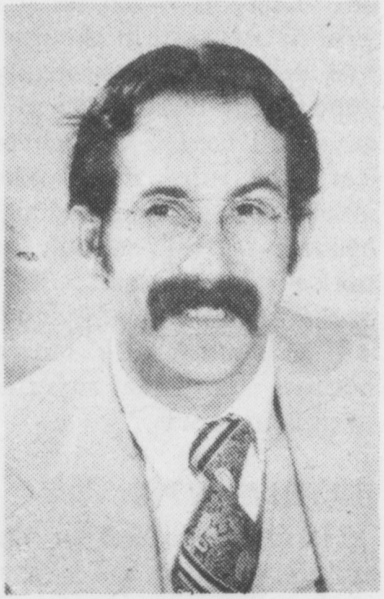

The next meeting will be held in Myer Dining Hall, Elizabethtown College, May 14 at 12:30 p.m. Mrs. Janson Hartman, Reading, will speak on "How Does Your Garden Grow?" Mrs. Tom Cox of Mount Joy will be featured in "Herbs and the Tussie Mussie," and Robert Hiestand, Maytown, will be the soloist. Nursery will be provided at the Church of God, Elizabethtown.

Members on the calling list will be contacted, or reservations may be made by telephoning Hilma Mumma, 367-2612 or Ruth Sentz, 653-4807.

A Prayer Coffee is scheduled for April 15 at 9:30 a.m. at the home of Mrs. Barbara Fellenbaum, 28 S. Market St., Mount Joy.

**"Driving less these days can save you more than just gas."**

Ask me about State Farm's car insurance savings for people who are behind the wheel less often due to the gas shortage.
