MEN WANTED FOR FATHERLESS BOYS IN OUR AREA

by Hans A. Wirsching
Executive Director - Big Brothers of Lancaster County, Inc.

Did you know that in your area there are fatherless boys who have to grow up without the friendship and relationship of a father? Did you know that you could solve their problems and make them happy boys? If you have the time to go on a fishing trip, hiking, on a bike ride or a picnic, or if you like to go for a walk, talk for five minutes on the telephone, then you can be a Big Brother!!

To a boy without a father taking him on a fishing trip or talking to him on the phone means the world. It might mean the difference between a wasted life or a useful life.

Did you know that there are over 2000 fatherless boys in the Lancaster County area? Did you know that these boys are the most underprivileged kids in the world because they do not have a father? Did you know that over 57% of all juvenile delinquents that come to the attention of the court are fatherless?

If you would like to find out more about our unique program, please call us at 397-7567 and we will give you more information on how you can help and become a Big Brother to one of the boys who are waiting for your friendship. Remember if you're not part of the solution you may be part of the problem.
