The fourteenth annual meeting of the Penn Laurel Girl Scout Council was held on Tuesday, April 15 at the Sheraton Harrisburg Inn, New Cumberland. Registration began at 6 p.m.; dinner was served at 6:30 p.m. The meeting was open to every adult and Senior Girl Scout member of the six-county council.

Guest speaker for the meeting was Dr. Frederick D. Holliday, Superintendent of York City School District since July 1974. Previously, Dr. Holliday had served as Deputy Superintendent of Schools in Ann Arbor, Michigan, as Assistant to the Superintendent of Schools in Philadelphia, and as Principal of both Gratz Senior High School and Gideon School. He received his Doctorate from Harvard University, his Master's and Baccalaureate Degrees from Temple University. Dr. Holliday's topic was "How We Can Help Girls To Grow - For What?"

Mrs. Kenneth Pryor of Waynesboro, council vice president, presided at the business meeting which included election of officers, members of the board of directors and nominating committee, and delegates to the National Council Meeting to be held in Washington, D.C. in October, 1975. The Penn Laurel Girl Scout Council and the Lancaster Opera Workshop will present the opera in the spring of 1976 at the Fulton Opera House in Lancaster. "Daisy" is a contemporary opera based on the life of Juliette Gordon Low, founder of Girl Scouts of the U.S.A. Participants in the preview of the opera were: Yvonne A. Robinson as "Daisy," Michael Widlake as Sir Robert Baden-Powell; Joan Betty as Lady Warwick; with Helen Buss as piano accompanist.

Some local businessmen expressed the opinion that the proposed ordinance was too restrictive in requiring merchants to provide parking space in the rear of their stores. The effect of the new restrictions, they said, would be to force stores to move outside of town.

An exodus of stores from

downtown Mount Joy to the outskirts would spell the end of the business district in Mount Joy, similar to the end of downtown Lancaster.

So, the general outcome of the Bulletin's survey was that most people in Mount Joy didn't know or didn't care about the proposed new zoning ordinance. Of

the small number who did know and who did care, the majority were opposed to the proposed ordinance.
