

Leisure Club stuffs envelopes

by Joseph Shaeffer

The Mount Joy Leisure Club met on Monday, April 14 in the Florin Fire Hall. Activities began about 9 a.m. when a number of members began stuffing envelopes for the Mount Joy Community Council. At noon President Joe Shaeffer called the meeting to order and after an invocation by Arthur Braun, cake and coffee was served.

At 12:30 the president called the meeting to order for the business session. After the pledge of allegiance to the flag, Secretary Nedra Brandt read the minutes of the last meeting and Treasurer Kathryn Zink read her report. George Groff reporting for the Com-

munity Council stated there is a lot of activity preparing for the Memorial Day parade. Lena Eshleman of the Sunshine Committee reported 15 cards sent to shut-ins. Gertrude Scheffler will be in charge of the Sunshine Committee and mail the cards for the next three months.

Bertha Foreman of the Entertainment Committee stated bingo would be played at the next meeting. The usual birthday and anniversary songs were sung. Two new members were introduced, Ralph Leed and William Barto. Guests attending were Verna Brandt, Mr. and Mrs. Russell Fetter and Earl Simons. The bus trip to Duke Gardens, sched-

uled for Wednesday, May 21 was discussed and papers were passed to the members to sign up for the trip. Those signing for the trip were asked to pay for the trip at the May meeting which will be Monday, May 12. Chances were sold for a drawing, the prize an organ. Mrs. Cora Rutt, R. D. 2, Mount Joy was the lucky winner.

At 1:00 p.m. the president temporarily adjourned the meeting and the program presented by the Lancaster Chapter of the American Heart Association was presented. Dr. David Schlosser spoke to the members on hypertension and high blood pressure. Dr. Schlosser stated that although a person may not be aware that they have high blood pressure, they may have a heart attack or stroke because of the high blood pressure. Dr. Schlosser went on to explain the importance of having blood pressure checked. Following his remarks two nurses, Mrs. Beverly Becker and Mrs. Robert Sher, proceeded to take the blood pressure of the Leisure Club members. A total of 109 members were present. After the program, a few small items of business remained after which the meeting adjourned.

Transit Survey

As part of the Community Participation Phase of the recently commenced Lancaster Transit Development Program, an attitude survey will be conducted throughout Lancaster City and County. The survey will take place April 28 - May 9.

A selected number of residents will be surveyed by telephone to obtain information regarding travel patterns of the area population, opinions regarding the quality of the present

level of transit service, desired transit improvements, and the elements of travel time and cost and other relevant information.

The telephone interview will last approximately 8 - 10 minutes. The questions to be asked deal with attitudes and opinions regarding mass transit in the area.

The Lancaster Transit Authority, the organization which will directly benefit from the survey, urges that all persons contacted for an interview participate.
