Lions honor "Meals on Wheels"

Volunteers for Meals on Wheels were guests of the Mount Joy Lions Club at the regular dinner meeting held at Hostetter's Dining Hall. The recognition was in conjunction with National Volunteers Week. The Rotary Club of Mount Joy and Mount Joy Jaycees contributed to the expenses for the recognition night.

Each volunteer was presented with a VIP badge. Mr. and Mrs. Frank Levan

were named Volunteers of the Week. Mrs. Clarence Hostetter explained the procedures of the Meals on Wheels program functioning in the Donegal area. Mrs. Gilbert Hamilton, with the aid of slides, showed on-the-job activities. Mrs. Hostetter and Mrs. Hamilton are coordinators of the service.

Steve Proctor, administrator of the Schock Presbyterian Home, and advisor for the project, was presented with a farewell gift. He and Mrs. Proctor will be leaving for Texas soon.

Rodney Stoner, a chef at Williamsburg Lodge, presented a film, "The Sampler," which showed a sampling of the featured attrac-

tions of Colonial Williamsburg. Charles Hershey, president of the Lions Club, conducted the business session during which Frank Gingrich was honored as the guest senior citizen of the meeting.

Reports were heard from the following committee chairpersons: Paul Shearer, light bulbs; Fritz Naugle, Bicentennial tag project; Ladies Night, Henry Zerphey, who stated that the May 1 event will be "entertaining."

David Newcomer, Elizabethtown, Chairman of Zone A, installed the three new members: Donald Drenner, Donald Newcomer and Donald Bell.

"Circus is for kids"

"The circus is for kids," said Lee Bickford general chairman of the Mount Joy Welcome Wagon's circus project, "and to help the kids get in on the act we are sponsoring the Color the Clown Contest."

The Royal Wild West Circus, which will appear in Mount Joy on May 7 under our sponsorship, is giving our children the opportunity to try out their coloring abilities. Children throughout the eastern United States will be participating in similar contests. The Grand Prize winners of our contest will be announced at the matinee performance, and will be given the opportunity of blowing the magic silver whistle, signaling the start of the hour and a half circus performance.

"The winners will also receive prizes from the Mount Joy Welcome Wagon Club, while the runners-up will receive free tickets to the circus. There are three

age categories: 1 thru 5, 6 thru 8, and 9 thru 12," Mrs. Bickford said.

The contest is open to all children (12 and under) in the area and entry blanks may be obtained at the library and local merchants. Also, watch your local papers.

The Mount Joy Welcome Wagon Club is sponsoring the circus to raise funds for its Library and Community Playground Funds, and advance reduced-rate tickets are now on sale by all members at the following locations: Darrenkamp's Candy, Eicherly's Mens Shop, Greer's Jewelry Store, Hostetter Hardware Store, Jack Horner Shoes, J. B. Hostetter.

Also Koser's Jewelry Store, Mari-Go-Round, Martin's 5 & 10, Mummau's Firestone Store, G. C. Murphy Co., Sipling's Pet Shop, Sloan's Pharmacy, Western Auto.

PP&L Request

A lineman suffering a serious fall could be the result of that innocent poster placed on a utility pole.

With primary elections approaching, Pennsylvania Power & Light Company requests that area political organizations and candidates refrain from attaching campaign materials to utility poles with metal fasteners. "Small pieces of metal hidden in a wooden pole can deflect a lineman's climbing hook and cause him to fall," Steve Seifried, PP&L's Columbia area manager said.

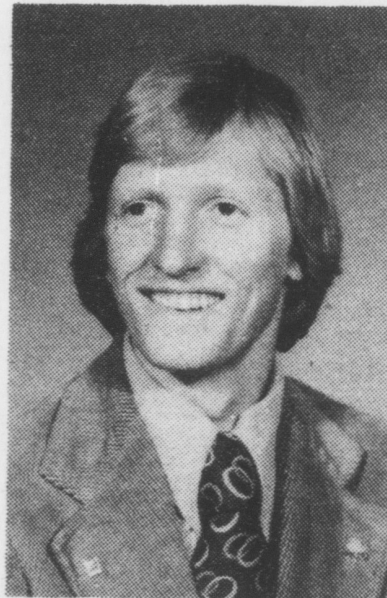

Since June, 1973, Penn-

sylvania Criminal Law has made it a summary offense to drive a nail or tack or to attach any metal or hard substance to or into any pole of a public utility pole line.

"The possibility of one of our linemen suffering serious injury in a fall caused by a metal fastener in a pole is a grave concern," Mr. Seifried said.

"We hope that all political candidates and their supporters will help us make our linemen's jobs as safe as possible by refraining from fastening materials to the poles with metal," Mr. Seifried said.
