# 22 canoe down the Delaware

by Jeff Sheetz

The weekend of May 3rd and 4th has proven to be a memorable weekend for 22 young men of Donegal High School. These 22 young men, along with 6 trained advisors, shoved off at Calicoon, N.Y. and proceeded to canoe 28 miles down the Delaware River.

The group consisted of Mr. Lytle, Mr. Price, Mr. Stellar, Mr. Bullock, Mr. Spinelli, Mr. Bickel, Jeff Ruhl, John Haines, Cary Albright, George Mohr, Tim Howell and Rick Funk.

Also Rory Gallagher, Kevin Miller, Tex Landis, Tony Sweigart, Mike Carroll, Jeff Alexander, Joe Mezaros,

Jerry Garner, Mike Leas, Dick Daveler, Kevin Bradley, Clay Brandt, Barry Bixler, Paul Lauver, Jim Warfel, and Jeff Sheetz.

The group left the high school early Saturday morning at 5:00. When they arrived at Calicoon, N.Y., they raced down the river to Narrowsbury, the mid-point camping sight.

Despite the bad weather on Sunday, about one half of the canoists tackled the Delaware River for the second day.

Although the trip ended in Minisink Ford with some canoists wet, everyone experienced a very memorable weekend.

# Mailbox Improvement Week

The Postal Service designates a week during May each year when customers on rural and city motorized routes are encouraged to examine and improve, where necessary, the appearance of their mailboxes. Postmaster Gerald Hostetter announced the week of May 19 - 24 has

been selected this year. The purpose of Mailbox Improvement Week is to call attention to the need for providing mail receptacles which are designed to protect the mail from the weather and are neat in appearance, conveniently located, and safe to use. Attractive

mailboxes will make a significant contribution to the appearance of the countryside and the streets in suburban areas. Mailboxes that meet the above four important requirements contribute to a more efficient delivery operation, and the result is an improved service to the entire route.
