President Shaeffer announced the Mount Joy Rotary Club was launching a program to beautify Main Steet by the use of flower boxes. The initial experiment will be five boxes, three to be placed at the borough building and two at the library. Volunteers would be needed to plant the boxes and then from time to time check on them. Mr. and Mrs. Sim Horton stated they would oversee the planting and the maintenance of the boxes.

Other items were discussed which will be brought before the group at a later date, and the business meeting adjourned. The invocation was given by Arthur Braun after which cake and coffee were served. After the lunch, bingo was played by some of the members. The next will be held June 9 and will be an auction.
