Olympic Day at Donegal H.S.

by Pam Horst

Donegal High School Olympic Day was held Successfully on its postponement date, May 16. Activities for the day included 3 1/2 hours of fun such as going through the obstacle course. Obstacle course spectators were always laughing, due to the way the students climbed, walked the mat covered balance beam, jumped a few obstac-

les, ran through tires and crawled to the finish line. The time of running this course ranged from approximately 17.5 seconds to 1.50 minutes.

Relay races, dashes, softball and football throws, tug of war, softball games, tennis matches, and bicycle races occurred outside. Volleyball games occupied the gym. The day proved to be a good one, despite the rainy weather.
