OUR SURGICAL APPLIANCE DEPARTMENT IS READY TO SERVE YOU

Recently, we installed a complete surgical appliance and convalescent aid department, staffed by two trained surgical appliance technicians.

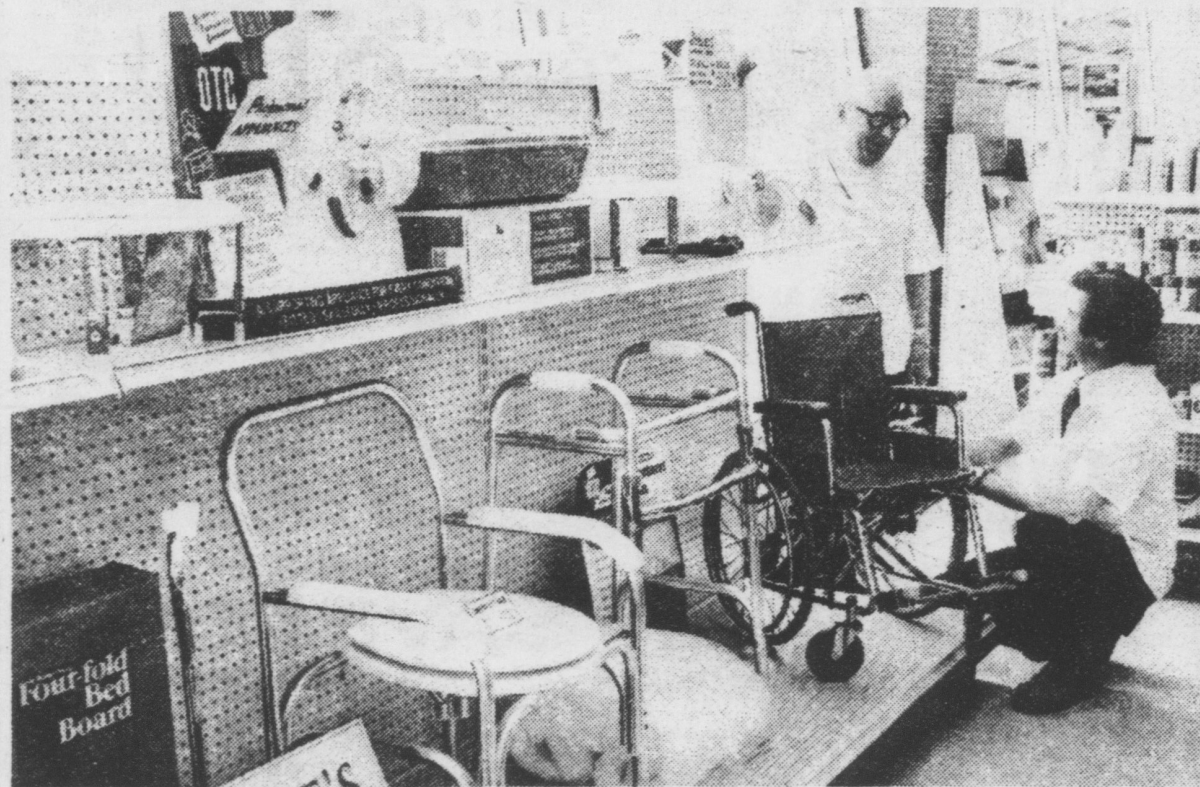

These technicians, who are also pharmacists, have been thoroughly trained on the proper way to fit surgical garments ranging from elastic stockings to intricate spinal and back braces.

Our inventory includes hospital beds, adjustable or folding walkers, Jacuzzi whirlpool baths, adult and childsize wheel chairs, commodes, wooden and aluminum canes, crutches, and oxygen equipment,—all for sale or rental.

Some of the surgical appliances available are arm, leg and finger splints, bed pads, bed boards, wrist and ankle splints, cervical, hip, or pelvic traction equipment and the very latest in external breast prosthesis.

We welcome your inquiries about these items and if necessary, we can make appointments in the home, hospital or nursing home facility.

Again, our free delivery service is included as a part of this department.
