## Parker asks for help to halt park vandalism

Marietta Borough Council President John L. Parker, Jr., has issued a request to citizens to help the borough in putting a stop to

vandalism in War Memorial Park.

The rest rooms in the park are almost out of operation, because of rocks, garbage, and other objects placed in the plumbing and clogging drain pipes. Water fountains outside the rest rooms and in the pavillion are filled with sand to make them inoperable.

Parker asks that all persons who have keys to the rest rooms be certain to lock them in the evenings after groups have used the park's recreational facilities.

If the vandals are children whose identities become known, the parents of these children would be liable for the offenses of their children.

The borough is determined to take necessary steps to end the park vandalism, both because of the expense of making constant repairs and because the fountains and rest rooms are rarely useable.

## Senior citizen supervisors

Senior citizen supervisors are needed by the Lancaster County Office of the Aging.

The supervisors must be 60 years of age or older, have a car and driver's license, and have experience in housecleaning and yard work. The supervisors will train and oversee youths doing the actual work.

Pay is \$2.50 per hour for 32 hours a week for 9 weeks, and 14c a mile transportation.

The employment will not interfere with Social Security payments.

**No Salesmen Employed!**

No kidding!! We can't afford to have any of those guys around! They try to badger a browser into buying; they want high commissions; they won't move the furniture to your car for fear of musing their suits. In short, they up the overhead! Then we couldn't haul our furniture to you at so low a cost. In the next few weeks we'll tell you who we do employ!
