The Mount Joy Borough Ordinance clearly state that it is the property owner's responsibility to maintain his property in an orderly fashion with regard to shrubs and weeds.

1. All lawns and grass must be kept trimmed not to exceed 6-inches in length.

2. Trees must be trimmed so that their lower branches permit a clearance of at least 8-inches from the surface of the sidewalk and 14-inches from the surface of the street.

3. Shrubs must not extend into the clear sight triangle at any street intersection.

4. All brick pavements must be sprayed to kill weeds.

All shrubs, grass and other vegetation must meet these requirements. If there is any property which is in violation of the ordinance after July 7, 1975, the Borough will be forced to do the work and bill the property owner for the cost of said work.
