CBC youth launches a canoe project

by James W. Gish

Congregational Bible Church Youth Fellowship recently acquired a fleet of six 17 ft. Grumman Canoes to be used in youth and camping activities with youth of Marietta and surrounding communities. The canoes are transported on a custom designed and constructed trailer.

Funds for the project were raised by the young people, with help from adults, by housing chickens for local poultrymen. Approximately 125,000 chickens were housed to raise the necessary money. Youth director

Jim Gish, expresses his Many people worked hard and made contributions to this project.

The Susquehanna, Delaware and Schuylkill Rivers and Pine Creek were locations of past river canoe trips, with 26 youths spending this past weekend on the Delaware River.

July 29 and 31, the group is sponsoring 1 day nature float trips on the Conestoga River, guided by Naturalist Robert Wyble of Lancaster County Park. Interested teens are invited to contact Jime Gish, 653-1542, R.D.1,

Box 181T, Mount Joy, to register for these and other upcoming trips.

It is the desire of the youth to use this equipment to extend and expand the youth program of the church and youth center, "Communicating God's Love to Other Youth."

JOHN PRESTO, General Manager

John's various duties do not include the more coveted role of driving the truck to North Carolina for factory fresh furniture. Instead, he stays in the warehouse ready to answer any questions browsers may have about the goods already here. John's no salesman ready to twist your arm, though! And he wears bluejeans, not a coat and tie.
