**Fires in Mount Joy**

by Bill Martin

An oil burner malfunctioned causing smoke to spread through a house at 31 New Haven St., Mount Joy on July 2. Bobbie Jo Bender, who lives in the house, discovered the smoke and Cindy Pearson called the fire department at 12:08 P.M. Friendship responded to the call with 18 men, who ejected the smoke with fans. The house is owned by Sue Dietrich of East Petersburg. There was no damage. The department was out 30 minutes.

On July 7, Friendship was called out to an overheated air conditioner in the Educa-

tional Building of Mount Joy Church of God. After seeing smoke coming from the air conditioner, David Morris reported the fire at 4:55 p.m. Friendship responded at 4:56 p.m. to the call with 25 men. The electricity was shut off and the fire was out when firemen arrived on the scene. The department was in service 15 minutes.

Friendship was summoned again on July 9 at 12:59 p.m. to stand by in Manheim's fire station. Manheim was assisting other area fire companies in fighting a rash of lightning fires. The department was in service 2 hours.
