## Beautiful babes at Circle Creek

by Mary Jane Demmy

What could be better than a bouncing baby girl to bring a smile to your face?

Circle Creek swim club seems to have the answer.

The beginning of the 74' swim season found five families awaiting the arrival of a new baby.

On July 9 Christine Louise Burger, daughter of Mr. &

Mrs. Thomas Burger, Maytown was the first new arrival, followed closely thereafter by Kristel Swanger, daughter of Mr. & Mrs. John Swanger, Marietta born Sept. 18, on Sept. 21, Christina Marie Secrest, daughter of Mr. & Mrs. Arthur Secrest, Mount Joy made her debut. As the holidays rolled around Shannon Smith on Dec. 5 was born to Mr. & Mrs.

Robert Smith, Columbia. Last but not least, on the evening of the first meeting of the 75' season, Dyanne Richards was born to Mr. & Mrs. Rodger Richards, Marietta. Mrs. Richards is the secretary/treasurer of the swim club.

So what could be better than a smiling baby girl, why five times as much sugar, and spice and everything nice.

## Marietta inspection fees total \$2500

Marietta Borough Council members announced Tuesday that \$2500 has been collected from dwelling inspections.

The inspections, made mandatory by an ordinance last month, are made at a charge of \$25 for each dwelling. The inspections have resulted in 40 prosecutions for safety standard violations.

In other business, the council voted to sell the

property at 5052 W. Walnut St., to recover a \$1558 lean the Borough holds against the heir to the property.

The council also decided to sell a police cruiser at the Manheim Auto Action for a low bid of \$800. The cruiser was recently replaced.

The council voted to place \$5000 of the Borough's federal revenue sharing funds on certificate of deposit at the Farmers First Bank.

The council passed a resolution to reserve traffic on Mulberry Street from northbound to southbound on trial basis effective as soon as signs can be posted.

The traffic reversal was made to alleviate traffic problems at the Farmers First Bank's drive-in window.

In further business, the council approved the subdivision of property owned by Edgar Shopf.

## Children's Hospital elects members

At the Elizabethtown Hospital for Children and Youth two employee organizations have elected new members to serve on management boards for the coming year.

The Employees' Remembrance Fund will be headed by Mrs. Anne Breach,

Chairwomen; Mrs. Betty Baltozer, Secretary; Mrs. Thelma Long, Treasurer; Mrs. Sue Keener, and Mrs. Janet Houseal, Directors. In charge of arrangements will be Mrs. Janet Gesford and Mrs. Rachel Martin.

Elected to serve on the

Committee supervising the Employee Blood Donor Club are Mrs. Fern Cathcart, Mrs. Janet Houseal and Douglas Kent. They will serve two-year terms with incumbents of one year, Mrs. Evelyn Bomgardner, Larry Chapman and Herbert Heberlein.

## \$5000 fire damage in June reported

by Bill Martin

On July 3, President Doug Estock called to order the monthly meeting of Friendship Fire Co. No. 1.

The Fire Chief, Frank Good, reported 6 fire calls and 2 service calls for the month of June. An average of 32 men responded on fire calls. Damages for the month were listed at \$5,000.00. The department saved property valued at \$142,800.00. Firemen have answered 30 firecalls and 12 service calls since January 1, 1975.

The Ambulance Committee read regulations that were drawn up at the last Committee meeting. The

rules regarded responses of the ambulance and responsibilities of the duty officers.

The fire department approved the regulations.

An amendment to the by-laws was read before the company. The amendment allows for a restricted membership for Emergency Medical Personnel. This will give present personnel full insurance coverage. Members are restricted to ambulance activities only.

Flares were purchased for the Fire Police. The company voted to allow the contracted electrician one month to place the siren in order, or the company will seek another source for the service.

The chief read a letter from county control requesting to know which rescue unit is desired to run with the company. It was recommended by the board of chiefs that the ambulance or engine from the department will determine any need for rescue equipment and request it from the units available in the area.

The date of the family picnic was changed from July 20 to July 19.

New members voted into the company for active membership were Mike Judge, and Tracy Hamilton. Social membership for Harold Eshelman was approved. The bills were paid and meeting adjourned.

## Mt. Joy Township discusses sewer permits

Mount Joy Township supervisors discussed charging fees for sewer permits and percolation tests, and for signs and bill boards.

Resolutions and amendments pertaining to these fees will be legally advertised before action is taken at the August 8 meeting.

Jere Thome has been appointed Secretary of the Sewer Authority. R. F.

Rothschild has been appointed financial advisor.

H. Eugene Atland thanked the supervisor for their assistance in helping with the new building for the E-Town-Mount Joy Forest Fire Crew. Atland also requested financial aid from the supervisor for next year.

The supervisor endorsed the idea of a recreation

program for the township, headed by Fred Koser, but did not commit themselves to financial support of the program. The program is supported by federal money until January 1, 1976.

The new Municipal building for the Township is almost completed; only floor tiles and rest rooms must still be installed.
