Donna Hay sets record in music student test

Nine years ago, a point system was started in the elementary schools of the Donegal School District, which was designed to record the progress of the instrumental music students. As an outgrowth of this system, the one hundred club was formed to honor those students who worked steadily for improvement. It was soon necessary to form a two hundred club, then a three hundred, and last year a four hundred club. This year, Donna Hay, of the Maytown Elementary School, broke all existing records by scoring 587 points in one marking period. Donna also won the

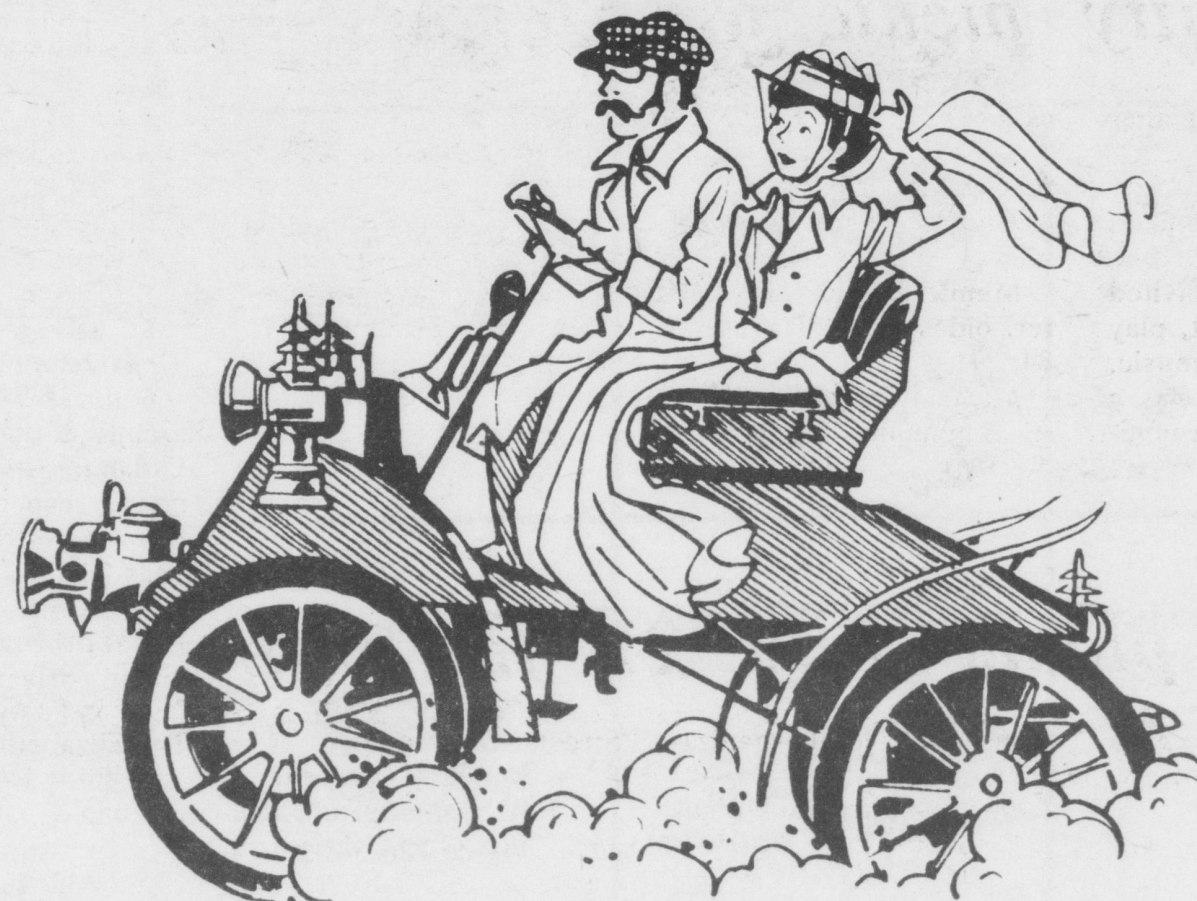

instrumental music trophy at Maytown for having the highest number of points in grades three, four, five, and six. Her total number of amassed points was 1654.

The trophy winner at Grandview this year was Phil Spickler whose total number of amassed points was 1085. At Seiler, the winner was Maxine Maxwell with a total of 1074, and at Riverview, the winner was Sandra Olweiler with a total of 518.
