**Marietta J-C's say, "Thank you!"**

The 4th of July Committee, the Board members and the entire membership of the Marietta Jaycees wishes to thank each and every person who helped make our two day 4th of July Stay-at-Home Celebration a success.

We thank everyone who prepared the park for our use and everyone who helped improve facilities. A large thanks to everyone who helped at the carnival stands, assisted at bingo, or in a food stand; without you we would not have been so successful. Also we express thanks to the fire policemen, firemen, and ambulance personnell who are invaluable each year.

We sincerely thank everyone who visited the park and

showed their support of our project. We seek each year to show our thanks with bigger and better fireworks. A committee is planning for July 2nd and 3rd for next year's celebration. Any opinions for a better 1976 celebration are welcome.

We, the Marietta Jaycees invite all young men between the ages of 18 and 35 to join our organization during July, August, or September. Meetings are the first and third Wednesdays at 9 p.m. at Jaycee Headquarters, 13 W. Market St., all interested men are invited to attend any meetings. We, in Jaycees offer many opportunities to make new friends, serve your community, and improve yourself through vol-

untary courses in leadership speaking ability and development.

We have just realized a better Fourth of July Celebration than ever so now we seek to strive for new members to join in our community's work.

Our Ecology recycling project is each Saturday at the old Marietta School, paper and/or glass may be dropped off. Anyone interested in working on the school renovations, just stop by Saturdays.

Most sincerely,  
Donald L. Simmons  
Publicity Chairman  
Marietta Jaycees
