

## Will French become a dead language at Donegal High?

The Donegal School Board last week voted to reduce the high school French teaching position to half-time and offer no more beginning French courses, but to complete advanced ones.

### 4 Teachers Resign

The board accepted the resignation of four teachers:

They included: Eugene Shulman, junior high school English and math teacher, and assistant football coach, who resigned to accept a position in New Jersey; Mrs. Jan Robinson, high school home economics teacher, who resigned because of her health; Marshall E. Lytle, high school health and physical education teacher, assistant football and wrestling coach, who resigned to accept a position in Berks County; and Paul E. Coleman, science teacher in the junior high, who resigned for personal reasons after 17 years at Donegal.

### Coaches

Coaches were appointed at the meeting, including the following: baseball head coach Al Brooks; baseball assistants James Sarbaugh

and Frank Stellar; boy's track coach Rudolf Milovanovic; and track assistant Charles Portser.

The board accepted Miss Kitty Jo Etsell to replace Mrs. Betty Lutz in the high school business department, who retired.

### Tennis Courts

The board announced that area residents will have the precedence at the school's tennis courts, and that signs will be posted accordingly.

They also approved a revised policy on pupil records.

### Age Limit

The board was advised by K. L. Shirk, their solicitor, and the Pennsylvania Department of Education that they not admit any kindergarten students who do not qualify within their age limit. At present children must be 5 years old to attend kindergarten.

Adult lunches have been raised to 75 cents in all district buildings because of cost increases.

The school board also voted to continue health and accident insurance for teachers until August 31.

## Cigarette starts auto fire

By Bill Martin

A cigarette was the cause of a fire in the front seat of a car on July 12, in Mount Joy. The fire was discovered by Mrs. Charles Heaps of 351 Delta St. Mrs. Donald Musser, a neighbor phoned in the fire at 9:06 A.M. and Friendship responded at 9:07 a.m. with 28 men. While the engines were enroute to the fire another neighbor, and fireman, Bob Hoffmaster, employed the use of a fire extinguisher. Upon arrival, fireman also used 2 fire extinguishers to put out the fire. The 1965 Chevrolet was owned by Craig Heaps, 351 Delta St., Mount Joy. The front seat was completely destroyed. Damage was listed at \$100.00

A little note of caution: People have extinguished fires in their car seats by themselves with a bucket of water until there is no evidence of fire. Assuming

the fire has been completely extinguished, they leave the scene only later to see their car in flames. Then the fire department must be called. The same thing happens with stuffed chairs and mattresses. Although the fire only flares up at one spot, sparks undoubtedly have spread throughout. It is always a good precaution to call the fire department in any kind of fire. The men can assure you when the fire is out. After all, the fire department is here for your protection and service.

July 17th, Friendship responded to a truck accident on Route 230 and Espenshade Road. The company stood by while wreckers removed the trucks and Penn Dot covered the diesel fuel on the highway. Gasoline was also washed down. Eighteen men responded to the call. The company was in service 2 hours.
