Schools being reconditioned this summer by CETA pupils

Thanks to a Federal program called CETA, twenty-one students in the Donegal schools have summer jobs working around the school buildings.

The local program is headed by Harry West, Asst. Principal of Donegal High School. They are painting, cleaning, landscaping, typing, etc., doing important work to improve the school grounds and buildings.

They work from 7 a.m. till 3:30 p.m. and receive \$2.10 per hour. Their ages range from 14 to 17.

Three CETA students are assigned to each school

building in the Donegal District, except the High School, which has a workforce of six. At Maytown Elementary Diane Wilkinson, Bruce McNece, and Joanne Rice are cleaning all the floors and varnishing them under the direction of custodian Dick Wood.

The program started June 16 and will run until August 15. Mr. West says that CETA program, in addition to benefitting the schools, is a great help to the students too, because it gives them needed jobs, valuable work experience, and a feeling of being of service to the schools.

Maytown parents get together tomorrow, Thursday, at school

Concerned Parents and Teachers will meet tomorrow night, Thursday, July 24 at 7 p.m. at the Maytown Elementary School.

Reports will be given on: a film program study for the school, outcome of the hoagie sale for the playground program, study of

need for crossing guards.

Plans will be discussed for further fund raising to support the summer playground program.

Leaders of the group urge all people interested in children, school, community to "please, please, please come!"

While rain is pouring outside, Maytown children play inside

by Hazel Baker

Indoor activities were scheduled for the Maytown Playground during the past week of rain. An indoor film (cowboy) and "Dr. Cyclops" were shown. Playground slides of previous years and Canada were also viewed. Flowers and bouquets of colored kleenex and tissue paper were made.

A drawing contest was held on Wednesday afternoon. The children drew and colored their own pictures. Bob Lauver helped the playground instructor, Mrs. Koser, judge the artwork on creativity, neatness and color scheme.

Winners were: Six and seven year old category—Jennifer Hooper, first; Ter-

esa O'Donnell, second, and Joanne Ebersole, third. Eight and nine year olds—Brian Hart, first; Tim Trostle, second, and Terri Smoker, third. Ten years and up—Nick Reich, first; Ken White, second, and Eugene Wagner, third.

A street hockey game was held in Maytown between Marietta and Maytown. The hosts were the winners.

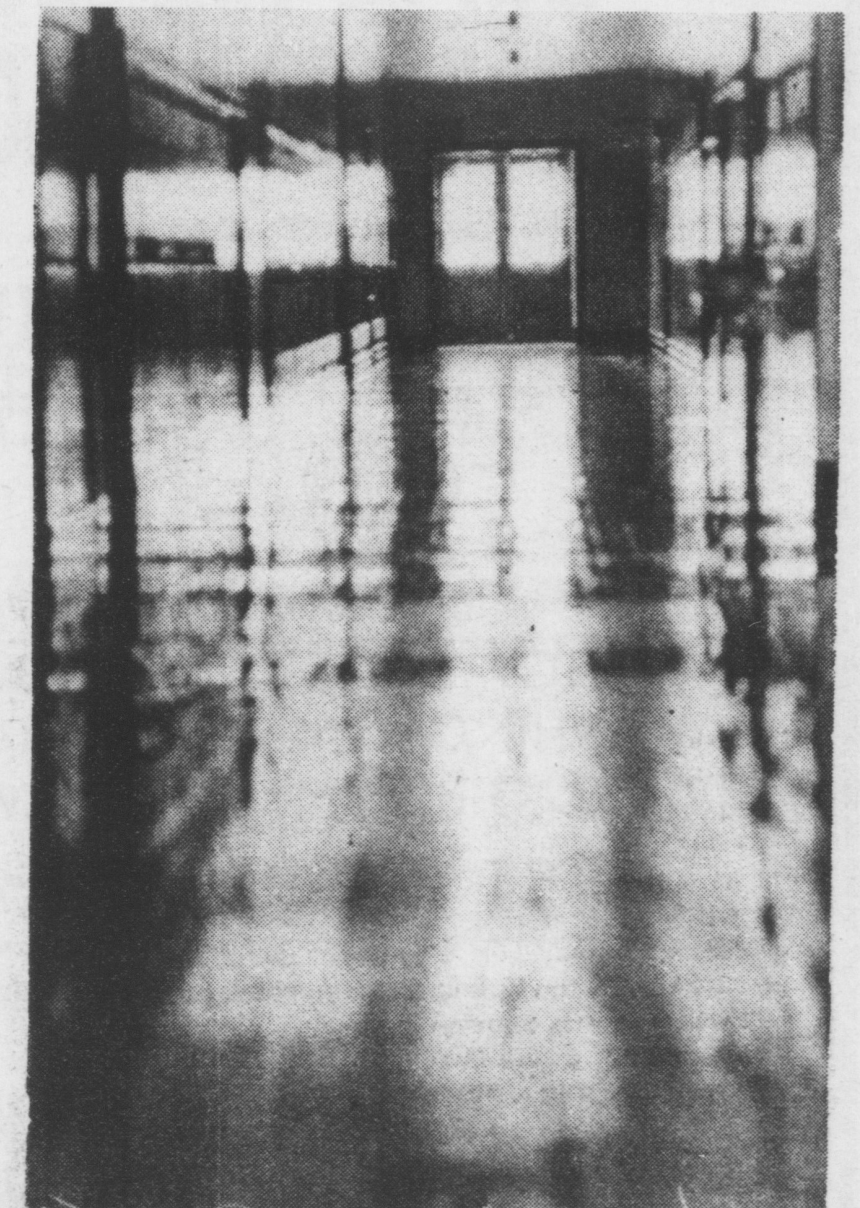

Scoring for the home team were Robert Blake, Tony Mann and Wilbur Myers.

A scavenger hunt with captains Sharon Long and Wayne Mylin was held Thursday. Wayne's team completed the entire list. Steal the Bacon and kickball, four squares and individual games were available to all ages.

DHS grads oriented at Clarion

Janice Brown, Frances Eno, Jackie Howell, and Brian Leshner, June graduates of Donegal High School, have attended

summer orientation programs at Clarion State College, prior to beginning their studies there in September.
