Midget-Midget League standings:

Arrangements for having team pictures taken are being handled by Bumper Yohe.

M.Y.A.A. Vice-President "Bo" Yohe was appointed Chairman of the Picnic and Awards Program Committee. He will be assisted by Merv Gutshall, Mrs. "Boots" Splain, "Bumper" Yohe, and Winnie Bensinger.

The M.Y.A.A. Auxiliary donated \$112.00 to the Marietta Jaycees. This money was proceeds from operating a Sno-Cone Stand during their July 4 Celebration. The amount of \$62.00 was donated to the Marietta Pioneer Fire Company. This was also profits from the Sno-Cone stand set up during their Fire House Dedication Carnival in June.

The meeting was presided over by President William Miller, who made this announcement: "Marietta Borough Council has asked for cooperation in preventing vandalism at the Marietta War Memorial Park, in general, and the rest room facilities in particular.

"I ask all team managers and coaches to notify their players of this fact, and anyone witnessing an act of vandalism is requested to report it to a manager or coach who, in turn, will notify the proper authority. The rest rooms are provided for our convenience by Borough Council, but we cannot expect them to continue repairing toilets, windows, drinking fountains and even trees on a daily basis, or pay someone to guard them. Any M.Y.A.A.

player found damaging Park equipment will be disciplined by the Board of Officers of the M.Y.A.A.

"I request all townspeople to cooperate in the project by—one, not doing any damage yourselves, and two, by making your sons and daughters aware of the seriousness of committing acts of vandalism to Park property, plus the inconvenience caused anyone using the Park during the various events held there.

"Marietta people have always pulled together and united when a real problem arose and, while this is not as serious as say, the Agnes Flood, I know we soon will have a Marietta War Memorial Park and facilities of which we can all be proud."

DID YOU HEAR

When Mount Joy Borough Council members heard about Lucy Haines' success in getting the state to fix up "her" bridge at the east end of town, one of the gentlemen suggested that "we turn Lucy loose on our railroad bridges - maybe she can get them repaired for us".
