Furniture Mover

When we need to move the furniture from our warehouse floor to your pickup, Rick's the one we call on. Rick plays football and wrestles for the Donegal Indians. He's plenty strong. Rick also dusts the show floor and keeps it neat. We're a warehouse, but we're clean!!!

184 in summer music program

The summer Instrumental Music Program of the Donegal Area has reached an enrollment of 184 students. This number has been increasing and probably will continue to increase. Grades four through twelve are represented in the classes.

Classes are being taught on Mondays at Maytown Elementary School from 9 to 12 and 1 to 5; on Tuesdays at the Riverview Elementary School from 9 to 12 and 1 to 5; on Wednesdays at the Grandview Elementary School from 9 to 12 and 1 to 6; and on Thursdays at Beahm Junior High from 9 to 12 and 1 to 6. New students are asked to report

on the hour.

The instruction is varied, ranging from beginning to advanced Instrumental Study, District Band solo preparation, and beginning to advanced Music Theory. The Music Program will continue through August 7.

The Donegal All-Elementary Band received an invitation recently to present two concerts in Connecticut on Memorial Day Weekend next year. All Elementary Band members are asked to return their music folder for preparation for next year.

Video tapes of this year's Branford concert have been received and are in the process of duplication.

Well informed tour guides explain the many facets of brewing in the upper and lower levels of Lancaster County's oldest brewery. Giant vats are still in place within the Lagering Cellar. The fermented brew was placed in wooden casks in order to age for a period of 30 days before being drawn off into smaller kegs which were stored 43 feet below the street surface. Temperature remains around 50 degrees year around in the Catacombs.
