

Judy Stolfus and some of her prize-winning art.

Back from Canada, Judy off to Penn State

Monday of last week, Judy Stolfus, daughter of Mr. and Mrs. Henry Stolfus, Mount Joy, R.D. 1, returned home from Manitoba, Canada, where she had been tutoring Indian children in a mission.

Earlier this summer she attended a 4-H Leadership Conference at Penn State.

Before last week was over, she was off again to Penn State, this time as a member of Lancaster County's 4-H Poultry Judging Team, which will compete there with other teams from across the state.

This spring some of her water colors and drawings were selected to be exhibited in Garvin's Store in Lancaster.

She won an honorable mention in Phillip's Mount Joy Art Show.

Last spring she ran the 220 on the Donegal High Track Team.

She painted sets for Camelot and other shows at Donegal.

She tutored children at Grandview Elementary school last year.

She is a member of the Mount Joy 4-H photography club.

The list of her various activities could go on and on, but those already cited give a general picture of Judy Stolfus' energy finding expression in many different talented outlets.

Before she became interested in raising capons on her father's farm on the outskirts of Mount Joy, Judy was most active in the 4-H sewing, knitting, cooking, and cake decorating clubs.

She took over poultry raising from her sister Linda who is now a medical secretary at Lancaster General Hospital. Judy also has a younger sister, Loretta, in the eighth grade at Grandview.

Friendship Fire Co. studies fund raising

by Bill Martin

Thursday, August 7, President Doug Estock brought the monthly meeting of Friendship Fire Co. No. 1 to order. A representative from the Hockenbury System, Inc., was present to tell the company about their systems of helping schools, fire companies, etc. to raise funds. After hearing the presentation, the company approved a feasibility study to be done by the Hockenbury System, Inc.

Chief Frank Good reported seven fire calls for the month of July. An average of 26 men responded to each fire call. Total damage for the month was listed at 100 dollars.

A one day garage sale will be held in the station in the near future. The annual auction was cancelled because of the lack of donations.

The ambulance committee reported ambulance mugs are available for sale and light rescue equipment has been placed in service in the ambulance.

Christ Charles reported on the Lancaster County Firemen's Association meeting. The Association sent a letter thanking the Fire Company for the donation of the 1949 Dodge Fire Truck. It is working well.

The by-law change was passed allowing for emergency medical personnel. EMP membership shall consist of those members who are interested in serving the Company through the ambulance service, rather than the Fire Service. All persons living not more than ten miles from the Borough limits and who are 18 years of age or older, are eligible for EMP membership in this Company.

Applicants for this membership must be approved by the Ambulance Committee of the Company prior to acceptance by the Board of Officers and prior to the approval by the members of the Company.

Two new members were accepted: Horace Derr was accepted as an active member and Judy Maxwell as an emergency medical personnel. (EMP)

Final roll call was taken and the meeting was adjourned.
