NOTICE

The East Donegal Zoning Hearing Board will hold a public hearing at the East Donegal Township Supervisor's Office at Maytown, Pa., Friday, August 22, 1975 at 7:30 P.M.

The East-Donegal Zoning Hearing Board adjourned the hearing of July 18, 1975 on a request for an exception to property located on the north side of Kraybill's Church Rd. (T-316) due to lack of information. The request was made by D. C. Gohn Associates, Inc. 24 East Main St., Mount Joy, Pa., Consulting Engineer for William M. Hess, of Penn Realty. This exception is for relief of the 30 feet minimum bulding setback requirement affecting lots 9 through 13 of Block "A" in Hessmar Manor due to an error by the previous surveyor regarding the omission of 50 feet of the

existing right-of-way of Pennsylvania Power and Light Co. overhead transmission line. It is requested that this minimum setback be revised and reduced to 22 feet since Lot 6 and 7 of Block "B" have been sold. The alternative of shifting Sellar Drive to the south is very impractical due to the previous sale of lots.

Any opposition to the above may be voiced at this hearing.

J. Robert Greider
Secretary
