Singles Club to hold dance this Sat. in Elizabethtown

The Tri-City Singles Club will hold a dance at Carpenter's Inn in Elizabethtown this Saturday, September 13, from 9:30 p.m. till 1:30 a.m.

All single (unmarried, divorced, widowed, separated) men and women, 21 years old and older are invited to have an enjoyable evening and make new friends.

Three members of the 12 member council of the Tricities Club, which includes the areas around Harrisburg, Lancaster, and York, are from Elizabethtown. One of these E-Town council members finds it very appropriate, therefore, that Elizabethtown should play host to the Club at this Saturday's dance. Eliza-

bethtown is also a convenient location for the event, because it is centrally located between the three cities.

The club has started a new program which includes many more activities besides dances. Special interest groups of singles are being organized, made up of people interested in travel, theatre, football, bowling, hunting, fishing, cycling, skating, swimming, cooking, decorating, gardening, reading, crafts, art or music, etc. Almost any and every interest a person might have can be shared with other single people having the same interest.

Information about all the activities of the Singles Club can be obtained at this Saturday's dance.

THAT "NICE" STRANGER IS OUT TO GET YOUR MONEY.

Some people make a living talking other people out of their money. They're sweet talkers. They're very good at it. And they could be anybody.

How can you spot them? The tip-off is that they'll always get around to asking you for money. No matter how convincing their reasons may be, learn to say the safest word you know. "No!"

Here's an example. It's the "cash examination" swindle. You receive a telephone call or a visit from a stranger posing as a bank official or policeman wanting to examine your money for counterfeit bills. After "examining" your cash, the confidence man vanishes along with your money.

There's only one thing to say to a swindler: "No!"
