BED WARMERS FOR SLEEPING COMFORT ONLY ELECTRIC* WARMTH HAS ALL THESE MODERN FEATURES

CONVENIENCE—goes on the mattress out of sight and out of the way, protected from soil and wear. **RADIANT HEAT FROM BELOW**—keeps the bedding dry, warms the mattress and spaces beside you, gives that soothing feeling of relaxation. **TRULY AUTOMATIC**—Summer, Winter, Spring, or Fall the comfort control turns on the heat from below whenever the room chills, turns itself off when room warms, so no heat is wasted. **ECONOMY**—puts all the heat in the bed, costs less to operate than any electric blanket. The motors that run your refrigerator, freezer and furnace blower consume most of the power used during the long winter nights. They run much less in a cool house. The electricity saved can operate several bed warmers. **OTHER ELECTRO-WARMTH PRODUCTS AVAILABLE**—bunk warmers for trailers, campers, sleeper cabs; seat, back and foot warmers; auto seat warmers; pet warmers. **5 YEAR Factory to User WARRANTY**—covers both warmer and control. **WE SERVICE WHAT WE SELL.**
