

## Agenda for Mount Joy Boro Council meeting, October 13

The following is a proposed agenda for the Mount Joy Borough Council meeting to be held on Monday, October 13, at 7:30 p.m.

1. Review the proposed planned commercial development of Witmer and McCoy at the Crossroads Church intersection.

2. Receive a request from Mr. Glenn Weaver of 212

Fairview Street to reconsider the decision on the Borough house.

3. Review the third quarter budget figures as presented by the Administration and Finance Committee.

4. Consider adopting the ordinance requiring landlords to register tenants for Per Capita Tax purposes.

## Bike Hike for scholarships

The Donegal Education Association, composed of teachers in the Donegal District, is conducting a Bike Hike to provide scholarship money for students who will be continuing their training next year after graduation from Donegal High School.

The scholarship money will be available to students continuing their education in any line: learning a trade or skill, or going on to college.

The Bike Hike will take place Sunday, October 19, from 1 to 5 p.m. in Wivell's Lane off Route 23 and also at the Mount Joy Sportsmen's Farm.

In addition, there will be a hike from War Memorial Park in Marietta along the back road to Cargill's depot.

Eugene Funk, teacher at Beahm Junior High School, is providing added incentive to participants by throwing down a challenge that he will ride further in the Bike Hike than anyone who wants to accept his challenge. Conditions of accepting Funk's challenge are that those riding less distance than he contribute \$5 each to the scholarship fund, and that he will likewise contribute \$5 for anyone who bests his distance.

Funk is presently in intensive daily training for the event.

## 2nd graders' newsletter

A newsletter was sent out recently by Joyce Evans and the second grade class at the Maytown Elementary School.

This year Mrs. Evans will be sending home a monthly newsletter to keep the parents informed of all the activities.

Second grade subjects include spelling, language,

math, reading, writing, science, social studies, phonics, health, music, art and physical education. As you can see they are constantly on the move!

If you have any questions, please feel free to contact Mrs. Evans at school. It is "your" room. Come in and visit them. They would love to have you see them in action.

Sara Habecker

## Sara Habecker, nurse, is 90

by Hazel Baker

Miss Sara Habecker, 120 Delta Street, Mount Joy, recently observed her 90th birthday with a quiet celebration.

Born in Rohrerstown and living her younger years near Marietta, Miss Habecker graduated in 1902 from East Donegal High School. She pursued a nursing career and graduated from Philadelphia Presbyterian Hospital School of Nursing in 1917.

The Mount Joy resident joined the Red Cross and served for one year assisting wounded World War I soldiers who were returned to this country for medical attention. After the war, Miss Habecker joined the staff of a Birmingham, Ala. hospital and then returned to her home town where she took a course in preparation for becoming a school nurse. However, she returned to the Philadelphia Presbyterian Hospital and served in the children's social service until her official retirement in 1952.

While in Birmingham, Miss Habecker was a member of the Business and Professional Women's Club, a past member of the Pennsylvania Nurses Association, and the Mount Joy Presbyterian Church.

She attributes her longevity to good doctors, and has a good sense of humor. At 90 she is still alert and full of humor. What a contribution to society she is!
