## Band marches in exhibition

by Holly Baker

On Monday, October 13, the band participated in the first annual marching band exhibition at McCaskey High School. The bands that participated in the event were; Elizabethtown, Conestoga Valley, Manheim Township, McCaskey, and Lancaster Catholic. For a finale, the bands united on

the football field and played "God Bless America".

The band is currently selling candy bars and collecting labels that will go towards furnishing new school instruments. The labels come off of soap wrappers, axion, baggie wrappers (containers,) ajax, etc. If you have any labels to donate, please give them to any D.H.S. band member.

## Jr. Hi soccer going strong

by  
Mike Zeller  
Dean Zimmerman

Donegal opened the season with a 2-0 victory over Wheatland. Randy Velez and Dean Zimmerman got the scores.

In their second game, they edged Norlanco 1-0. Ron Meckley had the lone tally.

Their third game was a 9-0 stomping of L.S. Randy Velez led the way with 5 goals.

Brian Brooks had his fourth shutout in a row, as Donegal blasted John Reynolds 9-0.

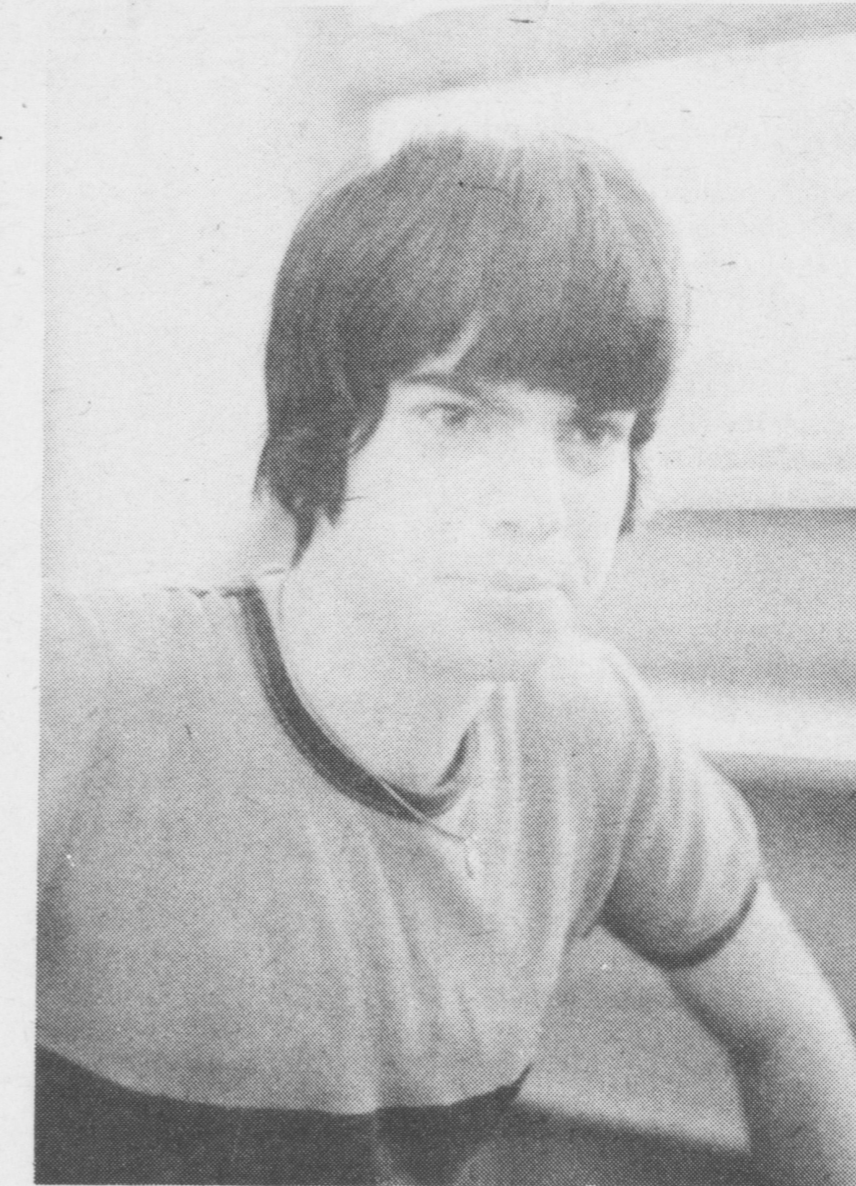

In their fifth game, they squeaked by Manheim Township, 2-1. Randy Velez and John Meyers came through with the big goals.

So far it's been a great year for the Junior High Soccer team, and if you come out and cheer, it might be even better.

## Rehearsals must not interfere with classwork

by Theresa Graham  
Because of the success of last year's program, the vocal music department will be continuing with its sectional rehearsal schedule.

Every student is expected

## Behind the Scenes

by Melody Mumma

Jon Booth of 14 Manheim St., Mount Joy spent three weeks this past summer in Poland. Jon traveled with nine other students from Lancaster visiting such cities as Warszoura, Torun, Gdarsk, Olsztyn, and Bialy-

stak where they participated in Soccer clinics and exchanging ideas with other young Polish soccer players.

Jon said that his trip was a real experience and that it taught him how lucky he is to live in America.

## Cheerleaders express thanks

The Donegal Varsity Football cheerleaders would like to extend their thanks to everyone for their support during the Homecoming Weekend at Donegal.

The cheerleaders, Booster Club, and Varsity Club sponsored a dance featuring Tender Touch from Middletown. The group proved versatile and made the dance a big success.

Members of the varsity football cheerleading squad include: Kathy Beach

(captain) Kerry Coover, Chris Heinaman, Gwenda Albert, Deb Thomas, Lori Lucabaugh, Raeann Parker, and Deb Sarbaugh. They are coached by Miss Maile, a home economics teacher at Donegal.

We, the cheerleaders, sincerely hope that you will continue this great support throughout the remainder of the season. We have four more games left and will be looking for you at the next game. Spirit! Let's hear it!

## Candle sale

by Jeff Boulton

The senior class sponsored a candle sale to raise funds for the class trip, yearbook, class play, graduation services, and other activities.

The seniors wish to thank everyone who cooperated.

## Radio carries school delays

by Jeanne Freed

Many parents and students have difficulty in gaining information about cancellations and delays of school. This has been rectified by getting the services of WGSA, dial 1310 AM; WIOV, dial 105.1 FM; and WGAL, dial 1490 'snowbird' operations to announce the information. These stations usually announce the fact that they would like people to not call at the station.

The messages are repeated every 10 or 15 minutes, so you may listen to the repeat.

Calling at the station only adds more confusion, and weakens the stations efficiency. Thank you for your cooperation.

## Council plans more dances

by Theresa Graham

Since the Homecoming Dance was a success, student council would very much like to increase the number of weekend activities at the high school to generate interest in school functions. One event would be a Halloween Dance/Party. Admission would include the price of the food and drink.

John Monchak is currently working on a tentative schedule of events for this school year.

As you can see the Student Council is trying to make this a successful year and is doing everything to make it more interesting for the students of Donegal High School.

## POEMS

### LOVING PEOPLE

by Jeanne Freed

It has been an awful day  
And nothing has gone right.  
To add to your many troubles,  
You also have a bad night.  
The telephone brings you bad news,  
And you want to sit and cry.  
Your parents are ill in the hospital,  
So serious they might die.  
You're young and don't know what to do,  
But your loving relations are there.  
They'll give you lots of help and support.  
These people sure do care.  
The only way to thank them  
For their continuous help and love,  
Is tell them that you love them,  
And ask God to thank them from above.

### POEM

by Nanette Pinto

Just another boring day  
With nothing much to do  
So I think about the days gone by  
Wishing they were new

For if I had them back again  
Again to look forward to  
I would have taken time to find  
Something worthwhile to do!
