Brenda and Bonnie Photo by Steve Hassinger

Behind the Scenes

by Melody Mumma

An unusual duo is featured in this week's article. Good friends since Kindergarten, Brenda Mackison and Bonnie Baker have participated in virtually the same activities all throughout high school. The daughter of Dorothy Mackison, 113 Columbia Avenue, Mount Joy, Brenda has served as co-manager of the football team for the past two years. Bonnie is the daughter of Mr. and Mrs. Vaughn Baker of 29 South Market Street, Mount Joy and she is Brenda's other half - also co-manager of the football team. The girls' duties as managers include fixing equipment and making Gatorade for the players.

Both girls are on the business staff of the yearbook, the Senior Class Executive Committee and the publicity committee for the senior class play. During the wrestling season, they also serve as co-captains of the Indianettes. In ninth and tenth grade, both girls were members of the Booster club and the track team. Bonnie is presently the treasurer of FFA, of which Brenda is also a member.

Incidentally, they both study floriculture at Vo-Tech and plan to pursue careers in that field. Could twins be more alike? We don't think so.

POEM

HALLOWEEN NIGHT

by Nanette Pinto

A dark black stormy night
 Whispers Halloween.
 With pumpkin faces, skeletons,
 and witches who are mean,
 Haunted houses come alive
 for it's their time of year,
 To get the neighbors frightened
 and dare them to come near.
 Witches fly on big black brooms
 through the darkened sky,
 Back and forth around the
 world until they fall and die.
 Jack-O-Lanterns come alive
 when the pumpkin pie is done.
 Trick-or-Treaters knock
 on doors - they have lots of fun.
 Ghosts come up behind you
 giving you a scare.
 You wonder where they came
 from - well look right over there.
 It is getting darker now -
 the darkest I have seen:
 Because there's nothing like
 the dark, dark night
 That Whispers Halloween.

Future Business Leaders active at Donegal

by Wendy Golden

Club meetings are held once every two weeks during one period in the school day. Our meeting consists of reports from the officers and a business meeting where we discuss events that we will be participating in during the year, what fund raising activities we will hold and what activities that we would like to do inside our club.

All club members must pay club dues of \$2.50. Out of this \$2.50, \$1.00 goes to

the State Chapter and \$1.50 goes to the National Chapter. Our club for this school year consists of 14 regular members and 2 associate members.

The officers for the 75-76 school year are as follows: Heidi Mumma, President; Sue Hamilton, Vice-President; Lisa Gibble, Secretary; Dava Barrett, Treasurer; Nancy Heinaman, Reporter; Wendy Golden, Ways and Means Chairman; and Mrs. Ruth Peters, Chapter Advisor. The

officers for this year were nominated and elected by last years members.

Every school year there are two workshops called regionals, one in the Fall and one in the Spring. The Fall Regional was held on October 21, 1975, at Garden Spot High School. The Regional consisted of refreshments and registration, a business meeting and a speaker on the "Bicentennial" supper and then records were played in the cafeteria and a lot of people

danced and played ping-pong and volleyball in the gym. The Donegal Chapter went to Garden Spot with Columbia on their bus. Nine of our members and Mrs. Ruth Peters and Miss Durci attended this regional. We left right after ninth period and returned around 9:30.

Our club will be selling taffy apples at the Marietta Parade on Wednesday, October 29, 1975. Come on out and support the Donegal Chapter of F.B.L.A. on Wednesday.

Cafeteria Humor

by Will—He—Eat—It

A girl finished her lunch and said, "So much for the appetizer. When are they bringing on the main course?"

* * *

You can say one thing for the cafeteria cheeseburgers, the cheese has gotten bigger. You don't need a magnifying glass to find it anymore!

* * *

A boy looked at his dessert and asked his friend, "What is it?"

His friend replied, "It's yellow, soft and is covered with graham cracker crumbs. I wouldn't eat it if I were you!"

* * *

One cafeteria lady! "Why do the kids always knock our meals?"

Second cafeteria lady! "Because it's the permanent 'in' thing. Besides, have you tried the meals?"

Advisor's Note

Last week the "Behind the Scenes" article was not written by Melody Mumma. Sorry Melody! The Donegal Detective will try to find out who wrote it.
