Officials of Marietta, Mount Joy, E. Donegal, School Board discuss joint problems together

Officials from Donegal School Board, Mount Joy Borough, Marietta Borough, and East Donegal Township attended a meeting of the Council of Government (COG) last Wednesday night at Donegal High School.

COG is an unofficial get-together of municipal and school officials in the Donegal district, to discuss topics of common concern.

Following are some of the topics discussed at last Wednesday's meeting:

Municipal revenue and budget plans;

Possibility that state may eliminate local occupational income taxes and replace them with local income taxes;

Possible reassessment of properties in 1977 by County, to correct inequities;

Senator Stauffer's proposals to change school tax

base gradually from property to income taxes;

Mount Joy ordinance requiring landlords to register tenants for taxation;

Increased safety for schoolchildren at crossings;

Effectiveness of teaching unit on October 17 in reducing Halloween vandalism;

Golden Age activity passes for senior citizens;

Senior citizen lunches at district cafeterias for 75 cents;

Reservations for use of outdoor school facilities, and rentals for use of indoor facilities;

Heavy use of school tennis courts last summer;

Community Bicentennial plans;

Planned Day Care Center for Elizabethtown-Mount Joy area at Florin Fire Hall;

Mount Joy's agreement to handle high school sewerage; plans for connection

lines to be finalized by East Donegal Authority;

Fire cooperation with schools by local police and fire companies;

Budget problems in Mount Joy;

Inability of schools to pay for summer recreation programs, but full cooperation by schools in programs.

It was noted at the meeting that Donegal was the only county district to **reduce** its budget from 1974 to 1975, although a further reduction is extremely unlikely next year.

Student field trips, teachers expenses at conventions, summer playground, service contracts, many equipment and maintenance requests were eliminated.

No increases are expected from state and federal funds to finance schools. With increasing costs, there could be local tax problems.

Mayor McDevitt thanked the schools for their helpfulness in making their facilities available to Marietta residents during "Eloise."

The following local officials attended the COG meeting:

Mayor Bernard McDevitt of Marietta; President of Mount Joy Borough Council Warren Foley; East Donegal Supervisors, Lloyd Fuhrman and Abram Groff; President of Donegal School Board, Dr. William B. Landis; School Superintendent, Ragnar Hallgren; Vice-President of Mount Joy Council, Omar Groff; Mount Joy Boro Manager, Joseph Bateman; Mount Joy Council Member, James Heisey; School Board Members, Jere Duke, Dr. Robert Eshleman, and Donald Kugle; Donegal H.S. principal, Donald Drenner; and Seiler principal, Woodrow Sites.

Bob Barto, Kris McCue make soccer All-Stars

Bob Barto and Kris McCue gained the high honor of being selected to the Lancaster - Lebanon County Soccer League All

Star Team. These two young men helped carry the banner for Donegal High School as the Indians recorded their second

straight winning season.

Bob Barto played midfield for the Indians. He has the ability to play strong defensively, as well as the big foot to move the upfield—great assets to the team. Bob also served as one of the tri-captains on this year's soccer squad.

Kris McCue has been the primary striker for the Indian booters during the past two seasons. His natural talent speaks for itself. Kris uses his right and left feet equally well. His clever dribbling and his strong desire to score goals

are his strongest assets. Last year he scored 10 goals for Donegal. This year he tallied 17.
