

## G. Nauman heads Bicen parade

by Cheryl Hallgren

George H. Nauman will be chairing the Bicentennial Parade Committee. The parade will be held on Saturday, May 29, 1976 at 2:00 p.m. Working with the Mount Joy Community Council and the Mount Joy Bicentennial Commission, Mr. Nauman expressed the hope that area organiza-

tions will participate by entering floats with an historical theme. More details will be published at a later date.

The Mount Joy Bicentennial Commission will hold its next meeting at the Boro Hall on Wednesday, November 12 at 7:30 p.m. Area residents wishing to volunteer their time helping the Commission are wel-

come to attend. Anyone possessing old photographs of Mount Joy residences, churches, businesses, hotels etc., should bring them to the meeting or contact Mrs. Patrick Moran. These photos will be used in a pictorial book of Mount Joy to be published in the Spring. Items will be handled with care and returned promptly.

## Activities at Friendship Fire Co.

The monthly meeting of Friendship Fire Co. No. 1 was brought to order at 7:30 p.m. on November 6 by President Doug Estock.

Chief Frank Good reported 5 fire calls and 4 service calls for the month of October. Since January 1, 1975 the department has answered 50 fire calls and 52 service calls.

The Ambulance Committee reported the airways have arrived and that forms were mailed to Medicare in order to receive donations for transporting persons with Medicare. A training session was held November 3 on fractures, splinting, and immobilization. The November Duty Officer is Jerry Hoffmaster.

A report was read and plans were explained by architect Bob Bishop. The plan was the result of a study done at the existing N. Market station. 86% of the area is being used in the basement, 72% on the first floor, and 91% on the second floor. It was noted that 12.8% of the building is in stairways and that 16% of

the building is used to house the engines.

Myron Hockenbury, president, and George Stein reported on the survey made by Hockenbury System of Friendship Fire Co. No. 1 concerning a possible new building. Results of the survey will be analyzed by the officers of Friendship Fire Co. along with active firefighters and civic leaders before a decision is reached. Friendship Fire Co. has always and will continue to keep the public informed of all activities.

Under new business, the following motions were made and passed:

Allot money for the December 17 Christmas Party at BINGO;

Allot money for turkeys for door prizes at BINGO for November 12;

Approve the purchase of 8 new jackets for ambulance attendants;

Draw up an amendment allowing for the ambulance committee to be elected by the company instead of being appointed by the president;

New members to be taken into the department—Mary Hoffmaster, Emergency Medical Personnel, Earl Koser, Social member.

Nominations for the 1976 offices were opened. Nominated for the second vice president are Galen Rutt and Jeff Brian. Running for chief engineer are Tom Markley and Ken Newcomer. Nominated for first lieutenant are George Hedrick and Leo Shank. Dennis Grove, Galen Rutt, and Paul Lauver are nominated for second lieutenant. Nominated for the entertainment committee were Jim Markley, Don Alleman, Bill Martin, Don Snyder, Howard Mott, Hubert Rice, and Bob Ganz. Nominated delegates to the county are Christ Charles, Ron Alleman, and Mike Wargo.

Nominations will be opened again before elections at the December meeting.

The possible new building was discussed under the Good of the Company.

The meeting was adjourned at 10:55 p.m.
