★ WHAT WEIS TENDER ✓ CHEK MEANS TO YOU! ★
 Space-age science led to the perfecting of the patented electronic test that for the first time measures natural tenderness of beef accurately. And only Weis Markets have it!
 All our beef must undergo this exclusive, scientific test for maximum tenderness, for the first time in history eliminating all the guesswork in your beef buying. Now when you see the Weis TENDER ✓ CHEK label, you know in advance... you take no chance! Only beef that registers "very tender" in its natural state is selected and labeled Weis TENDER ✓ CHEK. Our beef is never artificially tenderized nor does the TENDER ✓ CHEK test affect quality, texture or flavor. But it does positively tell us how tender beef is.
