Abel, Beasley win NCR prize

Two employees of the local NCR Systemedia Plant at Mount Joy received \$234 each for their suggestion award winning idea. James Abel and Dale Beasley, employees at the NCR plant since 1968, designed a simplified planning folder and instructions which reduced cost and considerably reduces the chance for an error.

Jim lives on Maple Street in Wrightsville and Dale on Philmont Drive in Lancaster. They were presented

the award and a bonus gift certificate by their supervisor, Mr. William R. Wells.

The NCR Suggestion Plan has been in operation since 1894. In that first year, a first prize of \$30 in gold was awarded to one employee. Currently, suggestion award winners can realize as much as \$6000 for their cost savings ideas. The NCR plant includes employees throughout its United States and International operations.

Scholarship to Ms. C. Wiley

Charlotte S. Wiley, a senior in the business administration program at Penn State-Capitol Campus, has been selected to receive the Josten's \$500 Student Scholarship. Ms. Wiley, a native of Mount Joy, PA, now residing in Harrisburg, was selected on the basis of her academic achievement and campus involvement. She is a graduate of Springfield High School, and is presently maintaining a 3.80 grade point average.

The award, presented through the cooperation of the student bookstore, was

established by the Josten's Inc., and represents a corporate determination to build an interrelation between Josten's, the bookstore, and the college student.

The award will be presented at a luncheon celebration held at the Host Inn, Friday, December 12. Dr. Robert E. McDermott, provost of Penn State-Capitol Campus, Mr. William Kistler, manager of the student bookstore, and representatives of the Josten, Inc., will present this presentation.

Mt. Joy Library board to meet

by J. L. Hamilton

The public is welcome to attend the annual board meeting of the Mount Joy Library Board. It will be held at the library at 8:15 p.m. on the third Monday in January.

Thanks to Mr. Robert Morris for offering to paint the first floor of the library. Also, thanks to the Mount Joy Welcome Wagon for agreeing to paint the second floor of the library.

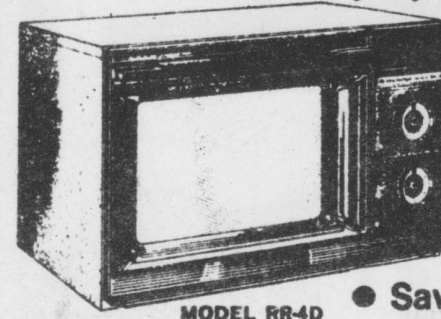

It is only through the support of these individuals and others that the library is

available to the public. The library services the public and must be maintained by public and organizational funds.

Many large city libraries are fortunate enough to receive endowments from beneficiaries.

In this traditional Christmas season, when we have so many things to be thankful for why not take notice of the public service the Mount Joy Library provides. And in the true spirit of giving, consider the library in your budget for now and the future.
